

District Office Information

Congressman Bartlett has four district offices set-up to help constituents with problems or concerns that they might be having regarding the federal government and its agencies. Please fill out a privacy release form and either fax, mail or hand deliver to one of the offices listed below. Please note that we need a signature from the person who is seeking assistance before we can begin making inquiries. (If at all possible, please call ahead if you are coming to the office so that someone will be available to speak with you.)
