

Thank you for your interest in our attending one of our service academies. I will be pleased to consider you for a nomination for appointment to one or more of the academies.

Attached is the form I request that each applicant complete and return to me along with a list of other items which I will need to receive from you. The deadline for receipt of this information is December 31 of the year before the year of admission. I make my selections for the academies during January of the year of admission. It is recommended that you begin the process during the spring of your junior year in high school, and I urge you to begin contact with the academies at that time in order to initiate a precandidate file. This can be done through their websites.

Questions about my nomination process should be directed to my Washington Office at 202/225-3261. In submitting your application to our office, please submit it through one of our District Offices. They will ensure that it is received in Washington.
