EMPLOYMENT & TEMPORARY EMPLOYMENT AGENCIES

There are numerous, reputable, for-profit employment and temporary employment agencies throughout the Cleveland area. Information on these agencies can be found in the:

Phone book—*Yellow Pages*

-or online at-

<http://www.cleveland.com>

(click on "*Find a Business*" then "*Category List*" to search)

Should you decide to work with such a business, it is important that you determine how they collect their fees, especially if you are asked to sign a contract. Employment agencies and temporary employment agencies have a variety of collection methods, including collecting money from the employer, charging the job seeker a fee, garnishing the wages of the job seeker, and combinations of these methods. Some also employ methods to restrict the future employment options of their clients.
