The Honorable Robert A. Brady
Chairman
Committee on House Administration
U.S. House of Representatives
1309 Longworth HOB
Washington, DC 20515

Dear Chairman Brady:

In accordance with the regulations of the Committee on House Administration, I am submitting herewith three copies of the monthly report of the Committee on Science and Technology for September 2009, including the following:

- A summary of specific programs and investigations;
- A statement of expenses and fund balance;
- A statement of authorized Committee travel expenses; and
- A listing of Committee employees showing their titles, addresses and gross monthly salaries.

This letter also certifies that copies of this report are available to each Member of the Committee.

Sincerely,

BART GORDON
Chairman

BG/lab

MONTHLY REPORT OF THE COMMITTEE ON SCIENCE AND TECHNOLOGY

Full Committee September 2009

Hearings, Mark-ups, Meetings

September 14, 2009 Convened a field hearing on *Strengthening Regional Innovation: A Perspective from Northeast Texas*.

September 15, 2009 Convened a hearing on *Options and Issues for NASA's Human Space Flight Program: Report of the "Review of U.S. Human Space Flight Plans" Committee*.

Other Activities

September 8, 2009 Report filed on H.R. 3165, Wind Energy Research and Development Act of 2009, as amended (Rept. 111-248).

Memorial 172 received: A memorial of the House of Representatives of the State of Louisiana, relative to House Concurrent Resolution No. 215 memorializing the United States Congress to take such actions as are necessary to promptly consider and pass the New Alternative Transportation to Give Americans Solutions Act of 2009 (H.R. 1835) and to urge each member of the Louisiana congressional delegation to express their support for the Act by becoming a cosponsor.

Memorial 173 received: A memorial of the Senate of the State of Louisiana, relative to Senate Concurrent Resolution No. 158 memorializing the Congress of the United States to support the American Clean Energy and Security Act of 2009.

September 9, 2009 H.R. 3165, Wind Energy Research and Development Act of 2009, considered under suspension of the rules and agreed to by voice vote.

H.Res. 447, Recognizing the remarkable contributions of the American Council of Engineering Companies for its 100 years of service to the engineering industry and the Nation, considered under suspension of the rules and agreed to, 420-0 (Roll no. 690).

H. Con. Res. 167, Supporting the goals and ideals of National Aerospace Day, considered under suspension of the rules and agreed to by voice vote.

H.R. 445, Heavy Duty Hybrid Vehicle Research, Development and Demonstration Act of 2009, considered under suspension of the rules and agreed to by voice vote.

September 14, 2009 Report filed on H.R. 3246, a bill to provide for a program of research, development, demonstration and commercial application in vehicle technologies at the Department of Energy, as amended (Rept. 111-254).

September 16, 2009 H.R. 3585, Solar Technology Roadmap Act, introduced by Ms. Giffords (D-AZ).

September 17, 2009 H.R. 3598, Energy and Water Research Integration Act, introduced by Mr. Gordon (D-TN).

September 25, 2009 H.R. 3650, Harmful Algal Blooms and Hypoxia Research and Control amendment Act of 2009, introduced by Ms. Baird (D-WA).

Subcommittee on Energy and Environment September 2009

Hearings, Mark-ups, Meetings

September 10, 2009 Convened a hearing on *Biological Research for Energy and Medical Applications at the Department of Energy Office of Science*.

September 17, 2009 Convened a hearing on *Harmful Algal Blooms and Hypoxia: Formulating an Action Plan*.

September 30, 2009 Convened a markup on the following legislation:

H.R. 3650, Harmful Algal Blooms and Hypoxia Research and Control Amendments Act of 2009

H.R. 3585, Solar Technology Roadmap Act

H.R. 3598, Energy and Water Research Integration Act

All three pieces of legislation forwarded to the full committee as amended by voice vote.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with representatives from McBee Strategic Consulting and the Elster Group regarding smart grid technologies
- Met with a representative from Sapphire Energy regarding the Science and Technology Committee agenda
- Met with representatives from K&L Gates LLP, Climos and Clark Street Associates regarding climate change technology
- Met with several partners at FBR Capital Markets to discuss nuclear and renewable energy policy.
- Met with the chairman of Fowler Communications to discuss nuclear energy policy
- Met with representatives from Ball State University to discuss support of demonstration projects for university-wide use of geothermal heat pumps
- Met with representatives from the Department of Energy (DOE) to discuss the Solar Decathlon 2009 and a possible related briefing
- Met with representatives from the Environmental and Energy Study Institute (EESI) to discuss the Solar Decathlon and its different activities
- Met with a representative from DOE to discuss its buildings technology program

- Participated in a meeting of DOE's Biological and Environmental Research (BER) Advisory Committee to discuss a future hearing and potential legislation
- Toured DOE's Thomas Jefferson National Accelerator Facility in Newport News, VA and discussed a future hearing and potential legislation authorizing nuclear physics and science education activities
- Met with several staff from the Investigations and Oversight Subcommittee, the DOE Inspector General and staff from the IG's Office to discuss oversight of Recovery Act activities
- Met with a representative from BioDimensions, Inc. to discuss a Mississippi Delta Bioeconomy project and report
- Met with representatives from the Joint BioEnergy Institute, the University of Berkeley, Sandia National Laboratories and DOE to discuss the Bioenergy Research Center and program placement in the Office of Science
- Met with a representative from PetroAlgae, Inc. to discuss the company's process in turning algae like biomass into liquid transportation fuels through co-processing
- Met with representatives from Mosaic Federal Affairs to discuss State University of New York's biomass gasification project and a 35 MW combustion facility
- Attended an interagency H1N1 Update Briefing
- Attended a briefing on Disaster Mitigation with the Congressional Hazards Caucus Alliance
- Held conference call with representative from Lawrence Livermore National DOE laboratory about greenhouse gas monitoring
- Met with representatives from K&L Gates and Qteros to discuss Qteros' one-step hydrolysis and fermentation process to produce ethanol
- Met with representatives from Texas A&M to discuss building technologies programs and new ideas for research and development at DOE
- Met with a representative from the Gas Technology Institute to discuss the biopower hearing and the gaps in the R&D portfolio at DOE
- Met with representatives from the National Research Council to discuss the data centers and other energy efficiency studies that may be needed
- Met with representatives from Sandia National Laboratories to discuss the National Combustion Facility and water research development
- Met with representatives from Pegasus Scientific, Inc. and MWW Group to discuss fire resistant pallets and LED lights
- Met with a House personal office intern interested in renewable energy policy to discuss job ideas in the energy and environment arena
- Met with a representative of the Union of Concerned Scientists (UCS) to discuss biopower companies and new R&D needs to meet the Renewable Energy Standard
- Met with a representative from PG&E to discuss the group's renewable natural gas projects and R&D needs to make projects more cost effective
- Attended the University Corporation for Atmospheric Research (UCAR) briefing on Regional Climate Models: A Critical Adaptation Tool for Communities and Industry
- Held meeting with the Government Accountability Office (GAO) on the update of the National Oceanic and Atmospheric Administration (NOAA)'s Tsunami Program Report
- Met with a representative of the Gas Turbine Association regarding turbine technology
- Met with projected first Director of ARPA-E to discuss his vision as nominee

- Met with a representative from Lawrence Livermore National Laboratory to discuss research opportunities in heavy ion fusion
- Met with representatives from IBM to discuss the company's research initiatives in solar energy and the energy/water nexus
- Held internal meetings with stakeholder groups and minority staff to discuss the Harmful Algal Blooms and Hypoxia Research and Control Amendments Act of 2009

Subcommittee on Investigations and Oversight September 2009

Hearings, Mark-ups, Meetings

September 10, 2009 Convened a hearing on *The Risks of Financial Modeling: VaR and the Economic Meltdown*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with Department of Energy (DOE) Inspector General for update on Recovery Act monitoring.
- Met with American Geophysical Union representative for discussion on carbon dioxide monitoring.
- Attended American Institute of Aeronautics and Astronautics presentations on climate data calibration issues
- Attended demonstration of new Recovery.gov website by Recovery Accountability and Transparency Board.
- Numerous discussions with witnesses for the 9/10 hearing on risk modeling.
- Numerous discussions with prospective witnesses for planned hearing on macroeconomic modeling.
- Discussion with Commerce Department official of U.S. innovation policy.
- Multiple interviews of DC and Centers for Disease Control employees regarding the 2003/2004 lead-in-water crisis.
- Multiple phone calls regarding the DC lead-in-water crisis.
- Met with the Government Accountability Office about potential requests for work;
- Met with representatives of the United Kingdom regarding science policy cooperation issues.
- Met with individuals regarding Camp Lejeune health issues.
- Met with National Research Council staff regarding their report on Camp Lejeune.
- Met with NASA contractor regarding acquisition issues.

Subcommittee on Research and Science Education September 2009

Hearings, Mark-ups, Meetings

September 14, 2009 Staffed a full committee field hearing on *Strengthening Regional Innovation: A Perspective from Northeast Texas*.

September 23, 2009 Convened a markup of the draft of Cybersecurity Research and Development Amendments Act of 2009; forwarded to full committee as amended.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Participated in multiple phone conversations with potential witnesses for October hearing on investing in high-risk, high-reward research
- Participated in panel at a meeting of the Committee on Science, Engineering and Public Policy at the National Academies on the topic of measuring research impact.
- Met with representatives from the National Math and Science Initiative to learn about their AP programs and to get an update on their UTeach program.
- Participated in orientation panel for the 2009 class of AAAS Congressional science and technology policy fellows.
- Interviewed multiple AAAS fellows for possible placement with the subcommittee.
- Attended NSF co-sponsored briefing on energy research
- Staffed the Chairman for a meeting with the new president of Oak Ridge Associated Universities (ORAU), in particular to learn about their K-12 STEM programming.
- Met with staff at the Office of Science and Technology Policy and the President's Council of Advisors on Science and Technology to discuss common goals for STEM education.
- Met with representatives from Third Way, a leading think tank, to discuss their STEM education initiatives.
- Served as panelist at cybersecurity conference hosted by the European-American Business Council.
- Met with representatives of the Association of Public and Land-Grant Universities to discuss their STEM education initiatives.
- Met with representatives of the NITRD National Coordination Office to discuss upcoming cybersecurity legislation.
- Attended National Academy of Engineering Symposium on engineering in K-12 education.
- Spoke to various organizations regarding the feasibility of establishing an International research Database: Federation of Societies for Experimental Biology; Center for Science Diplomacy and The Center for Science, Technology and Congress (American Association for the Advancement of Science), Association of American Universities, Nature Jobs, Scientists Without Borders, Grantsnet.com
- Met with representatives of the National Commission on Teaching and America's Future to discuss STEM education.

- Met with a representative from The Natural Science Collections Alliance (NSCA) to discuss Scientific Collections
- Met with representatives from the National Institutes of Health to discuss their progress in instituting the recommendations in the Interagency Working Group on Scientific Collections
- Met with the Independent Colleges Office/Project Kaleidoscope to discuss recommendations for changes in STEM education at the undergraduate level and STEM educator training
- Spoke to a representative from the Alliance for Technology, Learning, and The Society of Physics Education Research regarding alternative teaching strategies in the STEM fields with a particular emphasis on physics
- Spoke to the co-director of the University of Colorado's CU Teach Science and Math program regarding STEM education
- Consultation with Legislative Counsel regarding draft cybersecurity R&D bill.
- Met with University of Oregon professor on Earth surface processes research.
- Meeting with Duke University's Center for the Environmental Implications of Nanotechnology (CEINT) about nanotechnology and H.R. 554.
- Meeting with the Natural Science Collections Alliance (NSCA) on scientific collections.
- Meeting with Semiconductor Industry Association about nanotechnology and H.R. 554.
- Meeting with the Center for Strategic and International Studies (Commission on Cybersecurity for the 44th President) on an initiative to find and close the critical gaps in the federal cybersecurity workforce.
- Attended Organization for Economic Cooperation and Development briefing on education.
- Attended briefing with the National Comprehensive Center for Teacher Quality on rural education and teacher quality issues.
- Attended briefing on the role of STEM education in the green economy sponsored by the Campaign for Environmental Literacy, the Association for Career and Technical Education, the American Association of Community Colleges, and the National Science Teachers Association
- Attended a Mathematical Association of America briefing on undergraduate math recruitment and retention strategies to ensure diversity in the STEM pipeline.
- Met with former NASA representative to discuss STEM education funded at the agency.
- Met with staff from the National Academy of Engineering to discuss the NAE report on K-12 engineering education.

Subcommittee on Space and Aeronautics September 2009

Hearings, Mark-ups, Meetings

September 15, 2009 Staffed a full committee hearing on *Options and Issues for NASA's Human Space Flight Program: Report of the "Review of U.S. Human Space Flight Plans" Committee.*

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with an official from the Universities Space Research Association on NASA education projects being managed by USRA, export controls, and hands-on training
- Attended Hubble Space Telescope event at the National Air and Space Museum
- Attended the Space Entrepreneurship Forum
- Met with representatives from GAO regarding ongoing work and potential future work
- Spoke at Georgetown Government Affairs
- Met with representatives from the X-Prize Foundation and the Commercial Spaceflight Federation to discuss commercial space issues and prizes
- Attended George Marshall Institute forum on "A Day Without Space"
- Met with members of the Space Enterprise Council to discuss NASA Authorization issues
- Met with an Orbital official to discuss space issues

Subcommittee on Technology and Innovation September 2009

Hearings, Mark-ups, Meetings

September 24, 2009 Convened a hearing on *The Potential Need for measurement Standards to Facilitate the Research and Development of Biologic Drugs*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Spoke with a technical fellow for GM about the use of data and results from the Strategic Highway Research Program II (SHRP II) by auto manufacturers
- Spoke with a representative from the Iowa DOT about the use of SHRP II results by state highway officials
- Spoke with the liaison to the SHRP II Safety Technical Coordinating Committee from the Association of International Automobile Manufactures about the application of SHRP II research to automobile manufactures
- Spoke with Senator Klobuchar's office on the progress of the companion bill to HR 1580, the Electronic Device Recycling Research and Development Act
- Attended a High Performance Building Caucus briefing on Building Information Modeling
- Spoke with the Director of the Building and Fire Research Lab (BFRL) for the National Institute of Standards and Technology (NIST), about the draft multi-hazards R&D bill
- Spoke with a representative from the International Association of Fire Fighters (IAFF) about the FIRE grants reauthorization bill
- Met with Congressman Alcee Hastings' office to discuss the hazards R&D bill
- Met with Research and Innovative Technology Administration (RITA) staff to discuss transportation reauthorization
- Met with NIST staff to discuss organizational questions

- Spoke with a representative from Mylan, Inc. about witness testimony for the hearing on follow-on biologics
- Spoke with representatives from the Food and Drug Administration (FDA) regarding witness testimony for the follow-on biologics hearing
- Met with a representative from Schering-Plough regarding follow up on potential legislation
- Met with NIST representatives regarding witness testimony and for the follow-on biologics hearing
- Spoke to Digital Audio Video Emporium about cybersecurity concerns
- Spoke with Trend Analytics about cybersecurity concerns
- Meeting with Carnegie Mellon University about cybersecurity concerns
- Spoke with NIST about an upcoming hearing on cybersecurity
- Spoke with the Department of Homeland Security (DHS) about an upcoming hearing on cybersecurity
- Spoke with the Homeland Security Science and Technology Advisory Committee (HSSTAC) about an upcoming hearing
- Met with a representative from BIO regarding the topic of the follow-on biologics hearing
- Attended an Organization for Economic Co-Operation and Development (OECD) briefing entitled "The Economics of Climate Change"
- Spoke to a representative from the Environmental Protection Agency (EPA) about when EPA's meth clean-up guidelines will be available
- Exchanged emails with Lynn McNulty Associates about an upcoming hearing
- Exchanged emails with Cornell University about an upcoming hearing on cybersecurity
- Exchanged emails with Lewis-Burke Associates about a meeting on homeland security
- Spoke with Google about an upcoming hearing on cybersecurity
- Spoke with Wiley Rein LLP about a speaking engagement for cybersecurity
- Spoke with Carnegie Mellon University about cybersecurity concerns
- Spoke with Digital Audio Video Emporium about cybersecurity concerns
- Spoke with DHS about an upcoming hearing
- Spoke with the HSSTAC about an upcoming hearing
- Met with a representative from Glaxo Smith Kline regarding topic of follow-on biologics hearing
- Spoke with a researcher with the Iowa DOT, about transportation safety R&D
- Spoke with the Director of Safety for the Association of International Automobile Manufacturers
- Spoke with a representative from the Alliance of Automobile Manufactures
- Spoke with representatives from NIST BFRL about reauthorization of the National Earthquake Hazards Reduction Program (NEHRP) and the reauthorization of the National Windstorm Impact Reduction Act
- Spoke with representatives from the Port of Portland about the Bureau of Transportation Statistics' Commodity Flow Survey
- Spoke with a representative from the Congressional Fire Services Institute (CFSI) about the reauthorization of the Fire Grants Act
- Spoke with a representative from the National Volunteer Fire Council (NVFC) about the reauthorization of the Fire Grants Act
- Spoke with a representative from the International Association of Fire Chiefs (IAFC) about the reauthorization of the Fire Grants Act
- Met with representatives from the University Sun Grants Centers to discuss surface transportation R&D reauthorization

- Spoke with representatives from DHS about the reauthorization of the Fire Grants Act
- Spoke with a representative from the Earthquake Engineering Research Institute (EERI) about the reauthorization of the National Earthquake Hazards Reduction Act
- Attended a meeting with Rep. Wu and the Small Business Administration Administrator
- Met with a Carnegie Mellon University Professor about her research on technology and off-shoring
- Attended a meeting with Chairman Gordon and representatives of Pegasus/iGPS International to discuss fire safety standards for shipping pallets
- Spoke with a representative from the Center for Auto Safety about the Center's FOIA request for information on DOT research on distracted driving
- Met with a representative from the National Ready Mix Concrete Association to discuss lifecycle analysis for pavements
- Called the HSSTAC to discuss the upcoming DHS hearing
- Met with University of Minnesota to discuss the upcoming DHS hearing
- Met with Georgia Tech to discuss container security
- Spoke to a representative from DE Shaw Research
