Subj: Agreement NF(R)-14122 to Carolina Telephone and Telegraph
Company for use of 877 utility poles

Ref: (a) LANNAVFACENGCOM ltr 241:MLS over AO-54 of 24 Sep 1976,
same subj

Encl: (1) Telephone Division, CLINC Dwg. No. 2012, MCAS(H) Aerial
Cable Layout and Pole Placement (4 copies)

1. In compliance with reference (a), Carolina Telephone and Telegraph
Company has been contacted and the company desires to continue
Agreement NF(R)-14122.

2. Paragraph 1 of the subject agreement requires a change to reflect
the addition of 243 poles in the housing areas of the Marine Corps
Air Station (Helicopter), New River, as indicated in yellow on
enclosure (1).

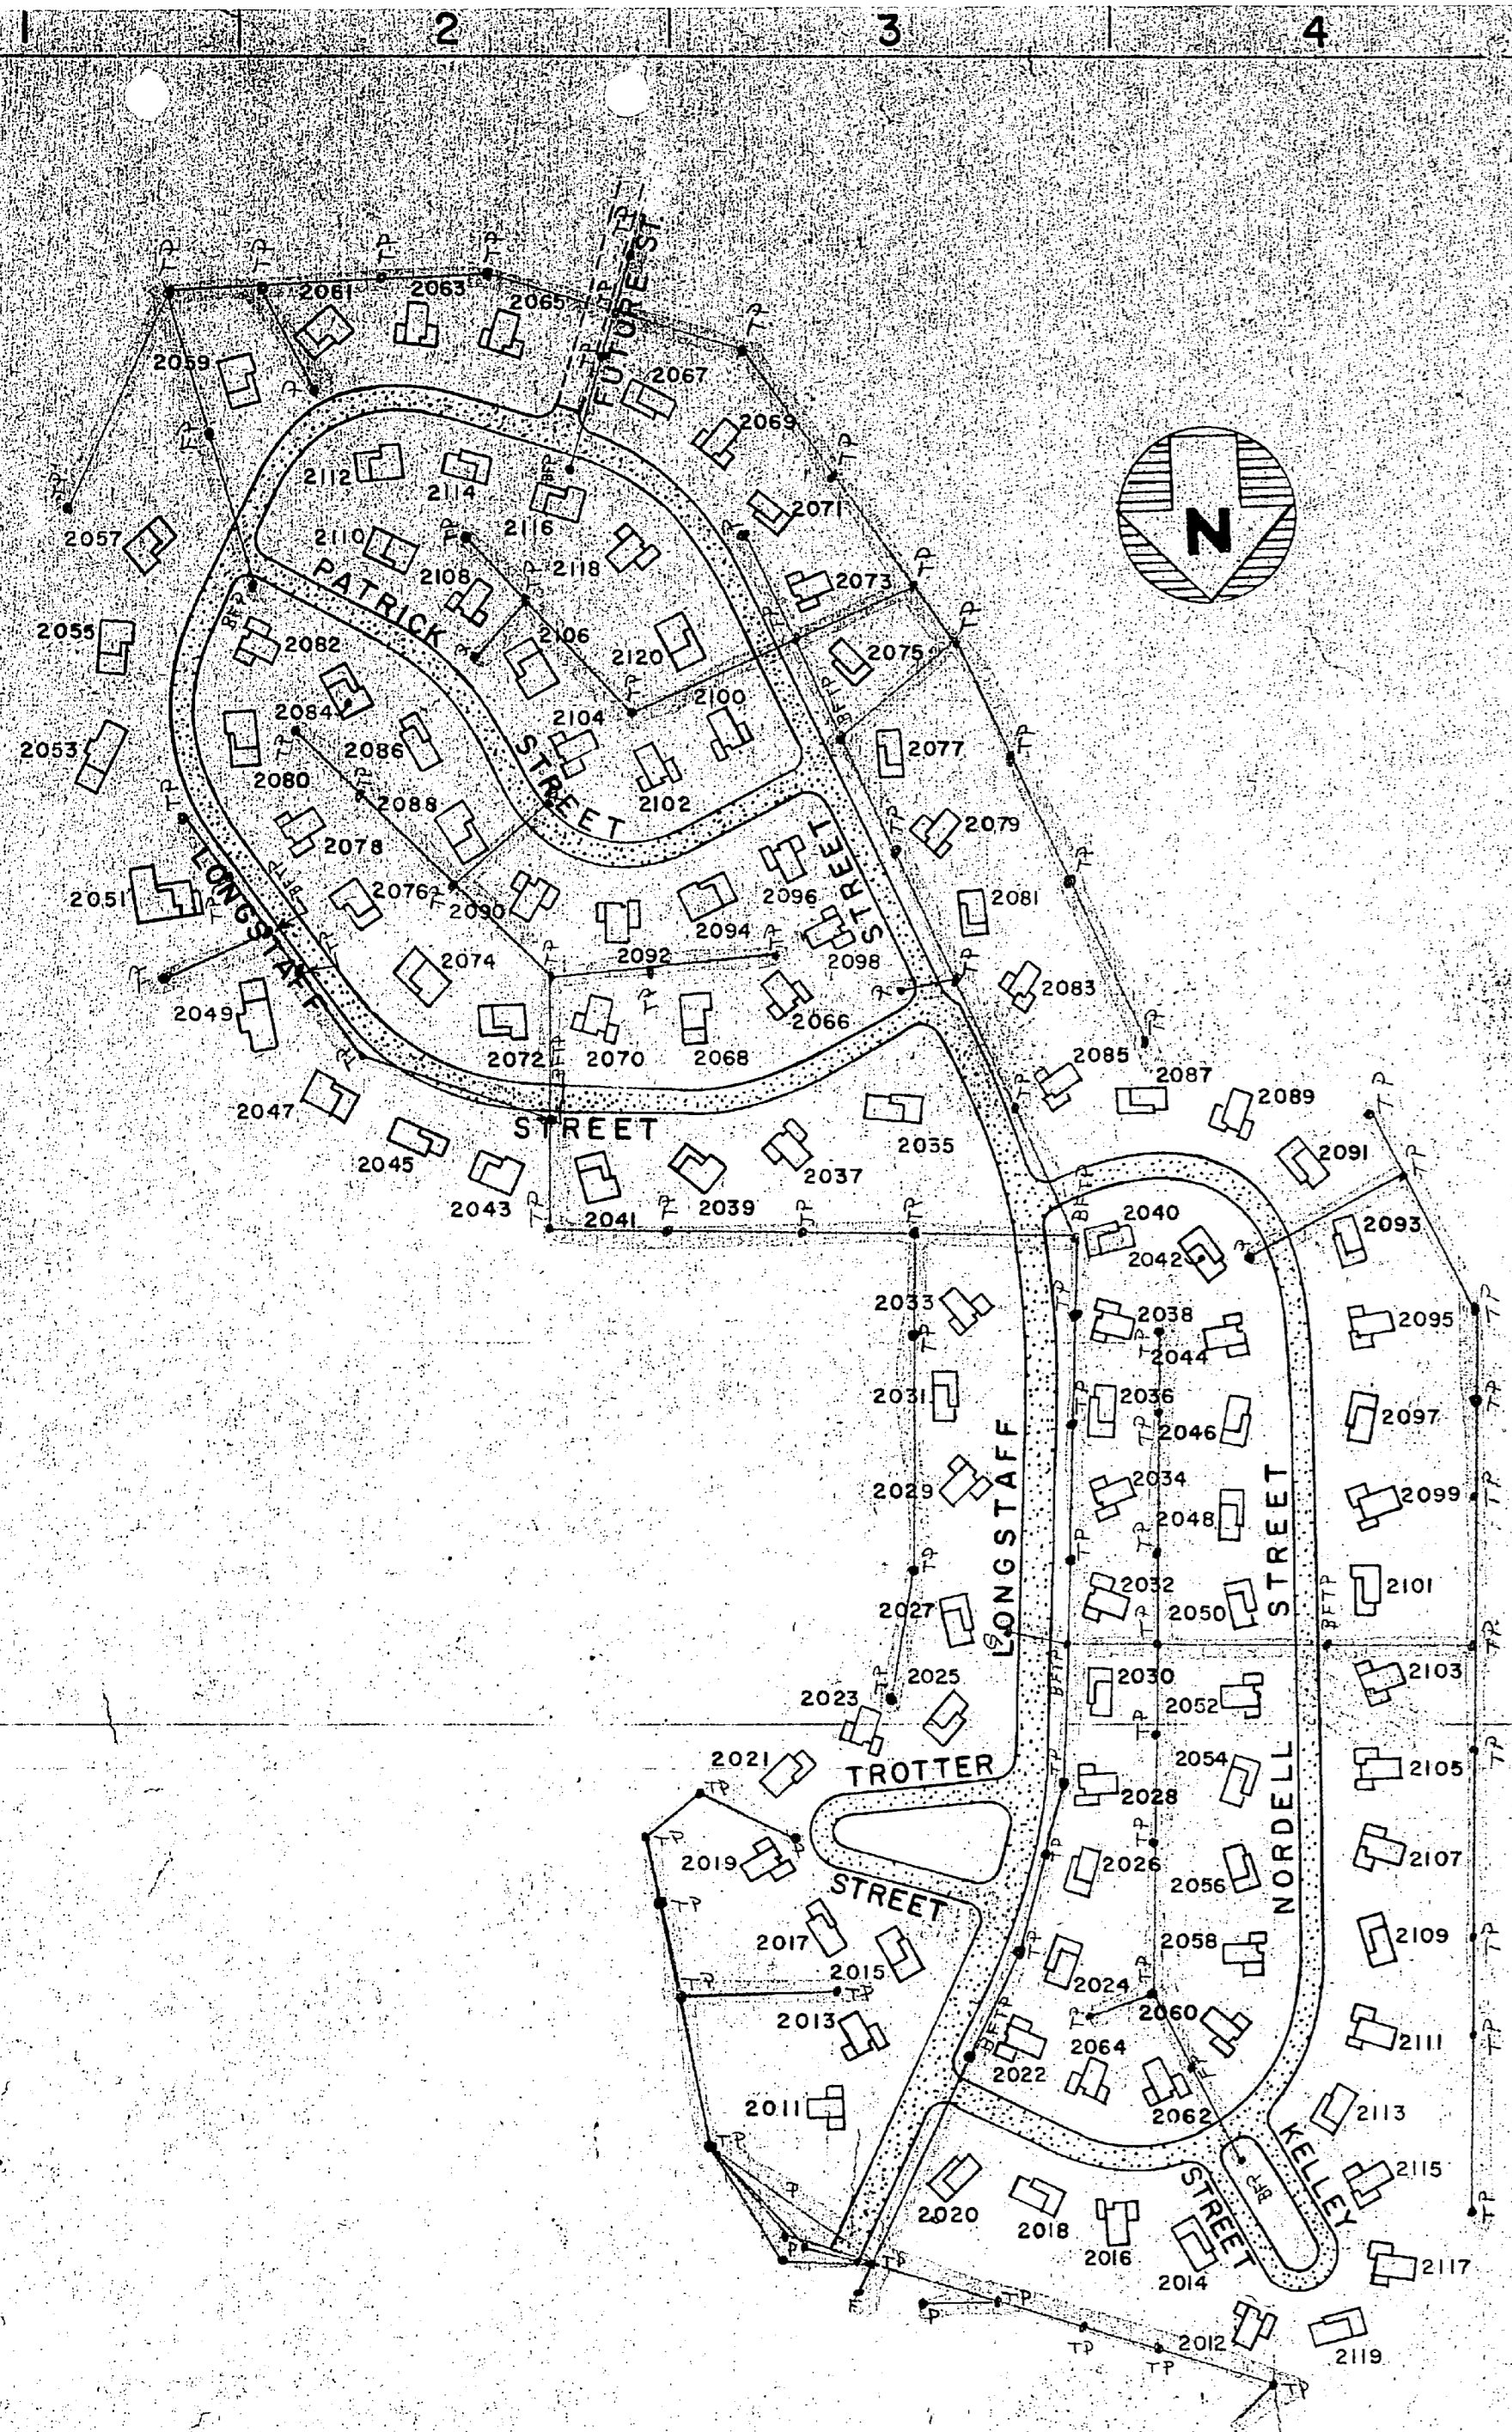

3. Other terms of the agreement should remain the same, although an
increase in use charges would be in order due to the increase in
maintenance and pole replacement cost.
