

Project Name: Kapolei Interchange Complex, Oahu, Hawaii  
Amount Requested: \$48 million  
Purpose: To reduce traffic congestion and ease the flow of traffic in and out of the Kapolei area. The interchange will provide greater and more ready access to the H-1 Freeway and local businesses in the Kapolei area.

Project Name: Kamalii Highway Widening, Lihue Mill Bridge To Vicinity of Kuhio Highway, Kauai  
Amount Requested: \$16 million  
Purpose: To improve the ability to transport people and goods, improve safety and health, and contribute to a reduction in pollution from exhaust emissions. This highway is a primary thoroughway that links Lihue and Kapaa to southern and western Kauai.

Project Name: Ane Keohokalole Highway, From Palani Road Toward Hinalani Street and the Kealakehe Parkway, County of Hawaii  
Amount Requested: \$15 million  
Purpose: To relieve traffic congestion, increase access to affordable housing opportunities and homesteads for Native Hawaiians, allow for the expansion of bus routes, and facilitate economic growth in Kona, Hawaii.
