### **Statement from Congresswoman Terri A. Sewell on the Passing of Civil Rights Leader Reverend Fred Shuttlesworth**

Washington DC – Today, Congresswoman Terri A. Sewell (AL-07) issued the following statement on the passing of iconic Civil Rights leader and freedom fighter Reverend Fred Shuttlesworth:

“Today we mourn the loss of a true soldier for equality. Reverend Fred Shuttlesworth was a fearless freedom fighter and tenacious Civil Rights leader. I am deeply saddened by his passing today.

Throughout his life, Reverend Shuttlesworth fought racism and injustice and worked tirelessly for equal rights. His efforts alongside Reverend Martin Luther King Jr. paved the way for the passage of the Civil Rights Act and for America to live up to its ideals of democracy and equality. Over the years, he built a well-deserved reputation as an outspoken equality activist and distinguished community leader. His achievements will leave an indelible mark on the 7th Congressional District, the State of Alabama and the nation and will continue to inspire people to stand up for what they believe in for many years to come.

I know that I stand on the shoulders of Civil Rights icons like Reverend Shuttlesworth. It was the sacrifices and courage of Reverend Shuttlesworth and so many others that forged the path for me to be elected Alabama’s first African American Congresswoman, and for that I am eternally grateful.

Today, as we pause to remember Reverend Shuttlesworth, let us also honor the legacy of fairness and dignity for all races that he left on the 7th Congressional District, the State of Alabama and this nation.

My thoughts and prayers are with his family and friends during this difficult time.”

## **Congresswoman Terri A. Sewell Announces \$200,000 in Rural Development Funding for Sumter and Greene Counties**

Washington, DC—Today, Congresswoman Terri A. Sewell (D-AL) announced that the Alabama State Association of Rural Cooperatives was awarded \$200,000 in funding from the U.S. Department of Agriculture for rural development projects in Sumter and Greene Counties. The Rural Development funds will be used to help disadvantaged farmers grow crops more efficiently, create jobs and provide safe and quality produce for families throughout the 7th Congressional District and the State of Alabama.

“It is great news that this funding has been awarded to help small producers in the 7th Congressional District,” said Rep. Sewell (D-AL). “Small farmers and producers play an important role in the local economies of Alabama’s rural communities. This funding gives Alabama’s economic development organizations resources to continue providing valuable assistance to create and sustain jobs throughout our state.”

“This grant will help family farmers in Greene and Sumter counties, but moving forward we hope to work beyond the black belt,” said John Zippert, Project Director. “The grant will help small farmers raise more vegetable crops, create local farmers markets, increase access to commercial markets and utilize new technologies like drift irrigation so that small farmers can increase their productivity and sustainability.”

Funds from the Small, Socially Disadvantaged Producer Grant Program are awarded competitively to cooperatives and/or associations of cooperatives. The Greene/Sumter Farmers Market Cooperative has approximately 65 small farmer-members, which is composed of more than 98 percent of socially-disadvantaged African American producers.

## **Statement from Congresswoman Terri A. Sewell on H.R. 2608, the Continuing Appropriations Act**

Washington, DC—Today, Congresswoman Terri A. Sewell (D-AL) released the following statement after voting for H.R. 2608, the Continuing Appropriations Act, which will fund the government through November 18, 2011:

“Today I voted for H.R. 2608, the Continuing Appropriations Act, which will fund the government through November 18. The bill will enable the government to continue to provide many vital services to millions of American families. The bill will protect good-paying American jobs and provide essential emergency disaster relief for families, small businesses and communities.

As families in the 7th Congressional District, the State of Alabama and across the country struggle in the face of a difficult economy, many communities have also endured hurricanes, tornadoes, floods and wildfires. The 7th Congressional District and the State of Alabama were hit hard by the severe storms and tornadoes of April 27, 2011. It is our responsibility in Congress to keep the Federal Government fully functioning for American families. We must also provide relief to communities in their effort to rebuild from natural disasters. Unlike the bill I voted against two weeks ago, this bill responsibly provides emergency disaster relief without requiring an unprecedented offset that would have jeopardized American jobs.

I remain committed to responsibly reducing the deficit, but not at the cost of critical programs that provide assistance to the victims of disasters or that service and support our most vulnerable communities. I look forward to working with my colleagues to develop a solution for the 2012 budget that will adequately fund disaster assistance, encourage job creation, reduce our deficit and strengthen the economy and the lives of our children, seniors and families.”
