

Congressman Gene Green

29th Congressional District of Texas

**Exercise Your
RIGHT TO VOTE
November 6, 2012**

**3 IMPORTANT STEPS TO ENSURE
YOUR VOICE GETS HEARD**

1. REGISTER TO VOTE

Before you register, verify your eligibility to vote.

TO VOTE, I MUST:

- Be a resident of Harris County
- Be a U.S. Citizen
- Be at least 18 years of age
- Not be convicted of a felony or have satisfied the court's requirements after a felony

*** The last day to register to vote for the general election is October 9, 2012 ***

If you wish to register to vote or update your existing registration,
contact the Harris County Voter Registration Department at 713-368-8683
or contact any of my local offices for assistance.

2. Mark your calendar for Election Day (November 6, 2012) and vote

VOTING BY MAIL

In Texas, requests to apply for a ballot by mail must be received by the Harris County Clerk's office before October 30, 2012. To be eligible to vote by mail, you must be 65 years of age or older, have a disability, be confined in jail, or expect to be absent from the county on election day.

VOTING IN PERSON

Early voting can help you avoid lines at the polls on Election Day. Early voting will be held from October 22 through November 2, 2012. Information has not yet been released on poll locations for the general election but the Harris County Election Information Line can be reached at (713) 755-6965 or their website can be accessed at www.harrisvotes.org

3. Report fraud, voter intimidation, or other election day misconduct

Identifying and reporting fraudulent activity or election-day misconduct are equally important steps to protect your vote.

ALL VOTERS SHOULD KNOW THAT FEDERAL LAW PROHIBITS:

- Intimidating, threatening, or coercing any person in the voting process
- Voting more than once with the intent to have multiple votes counted
- Falsely registering to vote
- Paying a person to vote or not vote, or vote for or against a candidate
