

WASHINGTON, DC— Congressman Melvin Watt (D-NC) released the following “Trading Places” schedule for the period August 6-8. This will be the 16th straight year that Representative Watt has worked alongside citizens in communities throughout the 12th Congressional District as a means of staying in contact with constituents and hearing their concerns and opinions.

Rep. Watt said: “I look forward to interacting with the workers and businesses in the 12th District to hear and experience their perspectives. Working alongside my constituents and discussing their concerns provides an excellent first-hand opportunity for me to understand their needs and how I can serve them better in Washington, DC.”
