COMBAT ENHANCEMENT FORCES - Reduction due to under execution of program, funding reprioritized to higher readiness priorities		-77,700
DEPOT MAINTENANCE - Reduction due to unrealistic turnaround time for depot repair items	-113,796	
UNDISTRIBUTED ADJUSTMENT - Reduction due to excessive growth in civilian personnel		-104,250
FACILITIES SUSTAINMENT, RESTORATION & MODERNIZATION - Reduction due to reprioritization of requirements and historic underexecution of FSRM program	-416,524	
FLIGHT TRAINING - Reduction due to under execution of program, funding reprioritized to higher priorities to better prepare for current threats	-213,632	-95,900
LOGISTICS OPERATIONS - Reduction due to under execution of program, funding reprioritized to higher readiness priorities		-40,400
PRIMARY COMBAT FORCES - Reduction due to under execution of program, funding reprioritized to higher readiness priorities		-232,000
SERVICEWIDE COMMUNICATIONS - Reduction due to under execution of program, funding reprioritized to higher readiness priorities		-86,300
UNDISTRIBUTED ADJUSTMENT - Reduction due to unexecutable flying hour program	-183,000	-183,000

**OPERATION AND MAINTENANCE, RESERVE COMPONENTS**

OPERATION AND MAINTENANCE, RESERVE COMPONENTS - Reduction due to reprioritization of fiscal year 2009 programs	-603,578	
COMBAT ENHANCEMENT FORCES - Reduction due to reprioritized requirements		-77,700
PRIMARY COMBAT FORCES - Reprioritized to higher priorities and shift of funds from peace time budget request to wartime support funding		-100,000

**OPERATION AND MAINTENANCE, DEFENSE-WIDE**

JOINT CHIEFS OF STAFF - Reduction due to unjustified cost growth		-25,000
COMBATANT COMMANDERS INITIATIVE FUND - Reduction due to excessive program growth		-25,000
SPECIAL OPERATIONS COMMAND - Reduction due to lack of executable spend plan		-16,000
DEFENSE BUSINESS TRANSFORMATION AGENCY - Reduction due to transition of business management efforts to executing agency	-11,273	
DEFENSE INFORMATION SYSTEMS AGENCY - Reduction due to poor program execution and unjustified program growth		-95,231
DEFENSE LOGISTICS AGENCY - Reduction due to reduced requirements		-36,419
DEFENSE THREAT REDUCTION AGENCY - Reduction due to unjustified program growth		-7,255
DEFENSE SECURITY COOPERATION AGENCY - Reduction due to excessive program cost growth		-325,000
DEFENSE SECURITY SERVICE - Reduction due to excessive cost growth		-9,969
OFFICE OF THE SECRETARY OF DEFENSE - Reduction due to unjustified program growth		-32,961
CLASSIFIED PROGRAMS - Reduction due to classified adjustments		-91,900

**AIRCRAFT PROCUREMENT, ARMY**

AIRCRAFT PROCUREMENT, ARMY - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-349,004	
UTILITY F/W CARGO AIRCRAFT - Reduction due to Joint Cargo Aircraft program transferring to Air Force	-264,160	
MQ-1 UAV - Reduction due to purchasing aircraft ahead of need		-163,000
CH-47 HELICOPTER - Reduction due to purchasing aircraft ahead of need		-35,000
AH-64 MODS - Reduction due to shifting of requirements to Apache Longbow III line	-609,969	
CH-47 CARGO HELICOPTER MODS - Reduction due to Army requested transfer to Aircraft Procurement, Army line 13 for execution	-587,110	-22,000
ASE INFRARED COUNTER MEASURES - Reduction due to program shifting from procurement phase to sustainment phase	-247,585	

**MISSILE PROCUREMENT, ARMY**

MISSILE PROCUREMENT, ARMY - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-274,428	
PATRIOT SYSTEM SUMMARY - Reduction due to program approaching procurement completion and unjustified cost growth	-173,235	-9,500
HELLFIRE SYSTEM SUMMARY - Reduction due to reduced missile quantities and unjustified cost growth	-16,675	-2,000
PATRIOT MODS - Reduction due to completion of Patriot modernization program	-472,125	

**PROCUREMENT OF W&TCV, ARMY**

PROCUREMENT OF W&TCV, ARMY - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-847,280	
STRYKER VEHICLE - Reduction due to excessive program management support costs and program ending procurement phase and entering sustainment phase	-337,404	-25,000

**PROCUREMENT OF AMMUNITION, ARMY**

PROCUREMENT OF AMMUNITION, ARMY - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-372,043	
CTG, 30MM, ALL TYPES - Reduction due to unjustified program growth		-10,000
CTG, ARTY, 105MM: ALL TYPES - Reduction due to unjustified program growth		-15,000

**OTHER PROCUREMENT, ARMY**

OTHER PROCUREMENT, ARMY - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-1,981,370	
HI MOB MULTI-PURP WHEELED VEHICLE - Reduction due to purchasing reduced vehicle quantity	-554,911	
FAMILY OF MEDIUM TACTICAL VEH (FMTV) - Reduction due to program schedule slip		-193,000
FAMILY OF HEAVY TACTICAL VEHICLES (FHTV) - Reduction due to purchasing reduced vehicle quantities and funding equipment ahead of need	-137,582	-26,352
MINE PROTECTION VEHICLE FAMILY - Reduction due to funding equipment ahead of need		-134,720
JOINT TACTICAL RADIO SYSTEM - Reduction due to funding equipment ahead of need		-55,164
SINGARS FAMILY - Reduction due to funding equipment ahead of need and unjustified requirement	-84,288	-6,812
TACTICAL UNMANNED AERIAL SYSTEM - Reduction due to transfer of requirements to Aircraft Procurement, Army	-237,898	
NIGHT VISION DEVICES - Reduction due to funding equipment ahead of need and purchasing reduced equipment quantities	-278,034	-175,662
AUTOMATED DATA PROCESSING EQUIP - Reduction due to unjustified program growth		-75,000
AERIAL DETECTION - Reduction due to funding equipment ahead of need	-12,573	-11,000

**AIRCRAFT PROCUREMENT, NAVY**

AIRCRAFT PROCUREMENT, NAVY - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-444,445	
F/A-18E/F (FIGHTER) HORNET - Reduction due to purchasing five fewer aircraft in 2010 than in 2009.	-315,151	
JOINT STRIKE FIGHTER - Reduction of two aircraft due to insufficient advance procurement funding in 2009		-300,000
JOINT STRIKE FIGHTER - Reduction to non recurring equipment funding based on historical execution		-120,000
UH-1Y/AH-1Z - Reduction of four aircraft due to providing funding in the 2009 supplemental.		-100,000
UH-1Y/AH-1Z Advance Procurement - Reduction due to excess advance procurement funding		-35,000

Cuts from  
2009 Enacted   2010 Request

MH-60R - Reduction due to purchasing seven fewer aircraft in 2010 than in 2009	-234,723	
P-8A POSEIDON Advance Procurement - Reduction due to excess advance procurement funding		-22,081
E-2C (EARLY WARNING) HAWKEYE - Reduction due to growth in engineering change orders effort		-3,800
JPATS - Reduction due to cost growth and support funding carryover	-30,014	-8,600
KC-130J - Reduction due to purchasing no aircraft in 2010	-119,545	
RQ-7 UAV - Reduction of funding for attrition aircraft		-5,250
MQ-8 UAV - Reduction to maintain pace with delayed fielding of Littoral Combat Ships		-13,300
AV-8 SERIES - Reduction due to cost growth and contract delays	-11,325	-3,800
F-18 SERIES - Reduction due to cost growth and purchasing equipment ahead of need	-52,280	-87,200
P-3 SERIES - Reduction due to cost growth of outer wing replacement kits		-56,800
SPECIAL PROJECT AIRCRAFT - Reduction due to excessive growth in support funding	-5,744	-2,500
T-45 SERIES - Reduction due to purchasing modernization equipment ahead of need	-16,482	-3,300
COMMON ECM EQUIPMENT - Reduction due to purchasing modernization kits ahead of need	-23,606	-3,200
COMMON AVIONICS CHANGES - Reduction due to cost growth and purchasing modernization kits ahead of need	-6,128	-8,300
SPARES AND REPAIR PARTS - Reduction due to reduced requirement due to reduced aircraft quantity		-40,600

SOF AUTOMATION SYSTEMS - Reduction due to Distributive Data Center program growth	-6,112	-11,700
SOF TACTICAL RADIO SYSTEMS - Reduction due to Next Generation Communication System program growth		-3,000
CLASSIFIED PROGRAMS - Reduction due to classified adjustments		-10,000
 <b><u>RESEARCH, DEVELOPMENT, TEST AND EVALUATION, ARMY</u></b>		
RESEARCH, DEVELOPMENT, TEST AND EVALUATION, ARMY - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-937,395	
ELECTRONICS AND ELECTRONIC DEVICES - Reduction due to unjustified program growth		-5,000
AIR AND MISSILE DEFENSE SYSTEMS ENGINEERING - Reduction due to excessive project cost growth and prior year unobligated balances	-8,679	-100,000
WARFIGHTER INFORMATION NETWORK-TACTICAL - Reduction due to program adjustment for FCS termination	-228,684	-15,000
SOLDIER SYSTEMS - ADVANCED DEVELOPMENT - Reduction due to unexecutable program growth		-5,000
AIRCRAFT AVIONICS - Reduction due to unjustified program growth		-4,000
FCS SYSTEMS OF SYSTEMS ENGR & PROGRAM MGMT - Reduction due to realignment of funding within Future Combat System	-352,254	
LANDMINE WARFARE/BARRIER - Reduction due to completion of ground mine detection events and turning focus to airborne activities	-56,115	-21,300
ARMY TACTICAL COMMAND AND CONTROL HARDWARE AND SOFTWARE - Reduction due to unjustified program growth		-5,500
AEROSTAT JOINT PROJECT OFFICE - Reduction due to funding requested ahead of need	-68,358	-72,000
AIRCRAFT MODIFICATIONS/PRODUCT IMPROVEMENT PROGRAMS - Reduction due to reduced requirement for Aerial Common Sensor	-251,536	
TACTICAL UNMANNED AERIAL VEHICLES - Reduction due to unjustified program growth		-30,000
 <b><u>RESEARCH, DEVELOPMENT, TEST &amp; EVALUATION, NAVY</u></b>		
RESEARCH, DEVELOPMENT, TEST & EVALUATION, NAVY - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-1,667,039	
COMMON PICTURE ADVANCED TECHNOLOGY - Reduction due to removing funding for high integrity GPS effort	-41,094	-59,110
ADVANCED SUBMARINE SYSTEM DEVELOPMENT - Reduction due to program delays		-4,000
MARINE CORPS ASSAULT VEHICLES - Reduction due to Expeditionary Fighting Vehicle program delay	-12,586	-50,000
ADVANCED HAWKEYE - Reduction due to decreased research and development effort as program transitions to production	-121,602	-2,000
H-1 UPGRADES - Reduction due to excessive program growth		-7,000
AIR CREW SYSTEMS DEVELOPMENT - Reduction due to contract delay	-3,627	-1,700
NEXT GENERATION JAMMER (NGJ) - Reduction due to program growth		-10,000
SC-21 TOTAL SHIP SYSTEM ENGINEERING - Reduction due to decreased research and development effort as program transitions to production	-593,036

STANDARD MISSILE IMPROVEMENTS - Reduction due to SM-6 program execution		-15,000
CH-53K - Reduction due to poor program execution	-46,041	-30,384
JOINT AIR-TO-GROUND MISSILE (JAGM) - Reduction due to JAGM program delay		-3,700
CG(X) - Reduction due to next generation cruiser program delay		-40,000
TACTICAL CRYPTOLOGIC SYSTEMS - Reduction due to engineering support funding growth		-1,500
TEST AND EVALUATION SUPPORT - Reduction due to reduced T&E requirements	-334,244	
UNMANNED COMBAT AIR VEHICLE (UCAV) ADVANCED COMPONENT - Reduction due to engineering support funding growth		-5,000
NAVY STRATEGIC COMMUNICATIONS - Reduction due to contract delay	-19,513	-20,000
AVIATION IMPROVEMENTS - Reduction due to F-135 engine improvements funding ahead of need		-12,491
USMC INTELLIGENCE/ELECTRONIC WARFARE SYSTEMS (MIP) - Reduction due to Angelfire program cancellation		-267
ENDURANCE UNMANNED AERIAL VEHICLES - Reduction due to program transition to next phase of development	-433,698	
MANNED RECONNAISSANCE SYSTEMS - Reduction due to growth in radio frequency research funding		-2,700
DISTRIBUTED COMMON GROUND SYSTEMS - Reduction due to DCGS program delay	-32,161	-5,700
RQ-4 UAV - Reduction due to program execution		-85,000

**RESEARCH, DEVELOPMENT, TEST & EVALUATION, AIR FORCE**

RESEARCH, DEVELOPMENT, TEST & EVALUATION, AIR FORCE - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-2,954,753	
GPS III - OPERATIONAL CONTROL SEGMENT - Reduction due to reduced requirement for RDTE funding as program approaches production phase	-307,335	
BATTLE MGMT COM & CTRL SENSOR DEVELOPMENT - Reduction due to requesting funding ahead of need		-22,612
SPECIALIZED UNDERGRADUATE FLIGHT TRAINING - Reduction due to Improved Brake System Program termination	-2,600	-2,365
SPACE SITUATION AWARENESS SYSTEMS - Reduction due to revised requirement for Space Fence Program and Space Based Space Surveillance Follow-on	-2,667	-100,300
THIRD GENERATION INFRARED SURVEILLANCE (3GIRS) - Reduction due to decreased program requirement		-104,000
COMMON VERTICAL LIFT SUPPORT PLATFORM - Reduction due to unjustified program	-1,868	-7,513
AIRCRAFT ENGINE COMPONENT IMPROVEMENT PROGRAM - Reduction due to F-135 engine improvements funding ahead of need		-12,000
GPS III SPACE SEGMENT - Reduction due to GPS control segment contract delay		-97,400
NATIONAL SECURITY SPACE OFFICE - Reduction due to unjustified requirement	-7,797	-10,634

**RESEARCH, DEVELOPMENT, TEST & EVALUATION, DEFENSE-WIDE**

RESEARCH, DEVELOPMENT, TEST & EVALUATION, DEFENSE-WIDE - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-1,138,812	
INSENSITIVE MUNITIONS--EXPLORATORY DEVELOPMENT - Reduction due to excessive program growth		-3,708
MATERIALS AND BIOLOGICAL TECHNOLOGY - Reduction for excessive program growth of bio-inspired sensors and interfaces	-14,705	-8,300
JOINT MUNITIONS ADVANCED TECHNOLOGY, INSENSITIVE MUNITIONS - ADVANCED DEVELOPMENT - Reduction due to excessive program growth		-6,784
BALLISTIC MISSILE DEFENSE TECHNOLOGY - Reduction due to unjustified program	-9,958	-5,000
JOINT ADVANCED CONCEPTS - Reduction due to excessive program growth		-3,908
QUICK REACTION SPECIAL PROJECTS - Reduction due to Technology Transition Initiative program execution	-14,401	-15,000
JOINT EXPERIMENTATION - Reduction due to National Center for Small Unit Excellence program delay	-1,997	-20,000
BALLISTIC MISSILE DEFENSE - Reductions due to changes in schedule, prioritization and affordability proposed by the Administration	-1,655,747	
BALLISTIC MISSILE DEFENSE TEST & TARGETS - Reduction due to synchronizing target program with test schedule		-26,000
BALLISTIC MISSILE DEFENSE SYSTEMS CORE - Reduction due to unjustified program	-45,517	-25,000
SPECIAL PROGRAMS - MDA - Reduction due to excessive program growth		-15,000
AEGIS BMD - Reduction due to undefined requirements for AEGIS Block 5.2		-50,000
SPACE SURVEILLANCE & TRACKING SYSTEM - Reduction due to unjustified request for demonstration satellites	-49,641	-20,000
SEA BASED X-BAND RADAR (SBX) - Reduction due to unjustified requirements		-13,000
JOINT CAPABILITY TECHNOLOGY DEMONSTRATIONS - Reduction due to poor execution	-9,985	-15,000
DEFENSE TECHNICAL INFORMATION CENTER (DTIC) - Reduction due to unjustified request	-3,285	-5,000
SUPPORT TO INFORMATION OPERATIONS (IO) CAPABILITIES - Reduction due to funding excess to requirement	-9,255	-4,700
PENTAGON RESERVATION - Reduction due to duplicative maintenance and facilities support costs	-19,734	-19,709
MANAGEMENT HEADQUARTERS - MDA - Reduction due to management efficiencies	-29,050	-5,000
SPECIAL OPERATIONS TECHNOLOGY DEVELOPMENT - Reduction due to Avionics Modernization Program delay		-10,000
SPECIAL OPERATIONS TACTICAL SYSTEMS DEVELOPMENT - Reduction due to SOF Resource Business Information System program growth	-23,669	-4,588
SPECIAL OPERATIONS INTELLIGENCE SYSTEMS DEVELOPMENT - Reduction due to Counterproliferation Analysis and Planning System program growth	-18,194	-14,993
JOINT MULTI-MISSION SUBMERSIBLE - Reduction due to new start execution delays		-20,000
ADVANCED SEAL DELIVERY SYSTEM (ASDS) DEVELOPMENT - Reduction due to program delay as a result of SECDEF program review	-5,190	-1,321
