

WHAT WE'VE DONE:

REPEAL OF THE PRESIDENT'S HEALTH CARE LAW, BY THE NUMBERS

- ▶ **25:** The total number of Floor votes we have taken to repeal, defund, or dismantle the law.
- ▶ **47:** The number of Committee hearings held to date in six different Committees about ObamaCare.
- ▶ **3:** The number of programs that have been halted. The President has signed into law two bills that entirely repeal two programs – 1099s and free choice vouchers (part of the employer provisions) – and the Administration ceased implementation of CLASS Act.

WHAT WE'VE DONE:

REPEAL OF THE PRESIDENT'S HEALTH CARE LAW, BY THE NUMBERS

- ▶ **\$305 million:** The amount that has been defunded from the IRS, hampering their ability to implement the tax provisions within Obamacare.
- ▶ **56:** The percentage of likely voters who favor repeal, according to a recent Rasmussen survey. One year ago, the figure stood at 53 percent.
- ▶ **72:** The percentage of Americans who believe the individual mandate is unconstitutional, according to a Gallup survey last month.
