Team,

Awesome job with all events last week in PR! CG was remarkably impressed and confident in what he heard and experienced. [REDACTED]

Via Verde: RD has pulled the action from the Island. [Exemption \(b\)\(6\)](#) is now the PM with [Exemption \(b\)\(6\)](#) as counsel. This action is NOT a reflection on our team in PR but rather a reflection of the controversy of this action. Its best to remove it from the intense and political debate locally. [Exemption \(b\)\(6\)](#) and team are meeting with Secretary Galan this week in Vero Beach. Will sustain weekly secretary level comms. Also creating a DST to drive the requirements of the applicant. Will NOT include a ROD date on the DST.
