Hi Ivelisse -

Thank you for the files. One challenge however

unless the recipient (like me) has GIS on their computer we cannot open the shape files. I am 100% sure neither FOIA Exemption (b)(6) nor FOIA Exemption (b)(6) have that capability so they will not be able to open any of the files (other than the .pdf file of the cover letter). I cannot open them either (sorry)!

Last time we were able to access the GIE ftp site and open the 96 alignment drawings because they were kept in a folder as .pdf files. It will be necessary for these final alignment drawings 48.0-Z- ***** to be set up as 96 .pdf files so they can be accessed. Can that be done?

Thanks (sorry for the bad news)

Greetings: As agreed during the last Interagency Meeting held at the USACE Antilles Offices, attached

please find the shape files for the final Via Verde alignment requested as part of the JPA process. Efforts are being made to present the supplemental Biological Assessment as previously indicated, by March 31. We will hand deliver a hard copy of the attached documents later on today. Thank you,
