Subject: re: SPAM-LOW: Via Verde final alignment shape files

Hi Ivelisse -

Thank you for the files. One challenge however .....

unless the recipient (like me) has GIS on their computer we cannot open the shape files. I am 100% sure neither [FOIA Exemption (b)(6)] nor [FOIA Exemption (b)(6)] have that capability so they will not be able to open any of the files (other than the .pdf file of the cover letter). I cannot open them either (sorry)!

Last time we were able to access the GIE ftp site and open the 96 alignment drawings because they were kept in a folder as .pdf files. It will be necessary for these final alignment drawings 48.0-Z- \*\*\*\*\* to be set up as 96 .pdf files so they can be accessed. Can that be done?

Thanks (sorry for the bad news)
