

Failing to Pay America's Bills Will Hurt Families and Businesses

- Social Security and other benefits may be suspended.
- Interest rates will spike.
- The U.S. dollar's value will decline.
- U.S. credit will be downgraded.
- The Chamber of Commerce and hundreds of businesses call on Congress to do its job and raise the debt ceiling.

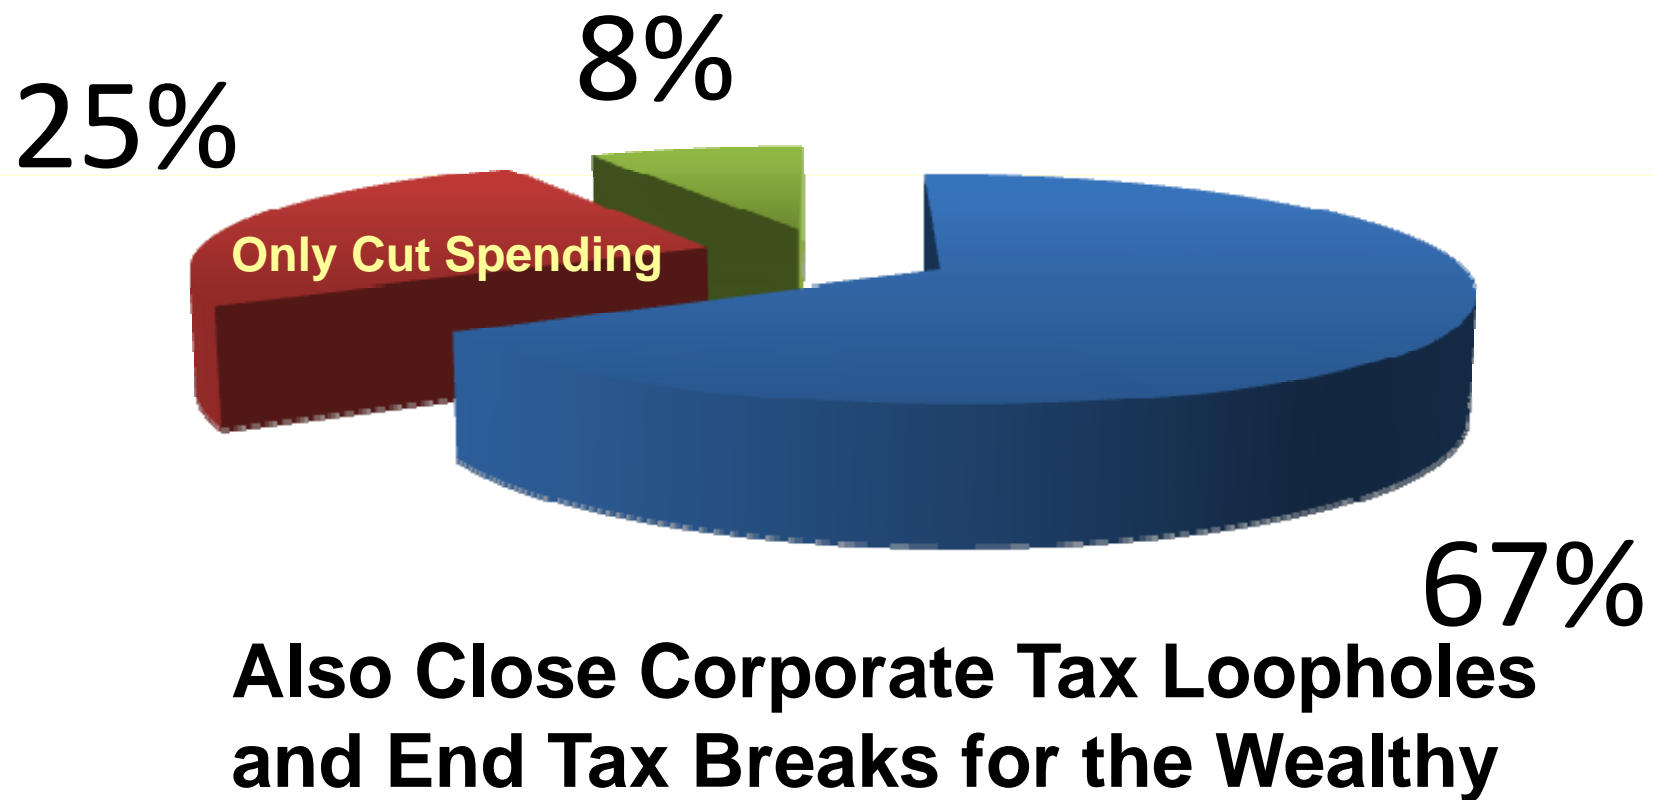

Republican “Cut, Cap, and End Medicare” Plan is *Trojan Horse* for their Extreme Budget

- Caps spending at the levels in the extreme Republican Budget.
- Ends the Medicare guarantee.
- Protects tax breaks for special interests.
- Holds the debt limit increase hostage to passing their plan to graft the Republican budget into the U.S. Constitution.

Most Americans Favor a Balance of Spending Cuts and Revenue Increases

Senior Citizens' Health Costs Skyrocket Under Republican Budget

■ Government's Share ■ Beneficiary's Share

Health care spending for a typical 65-year-old in 2022, in dollars

Health care spending for a typical 65-year-old in 2030, in dollars

Republican Plan Makes it **Easier to Cut Medicare** than Close Tax Loopholes to Reduce Deficit

Republicans could vote to cut Medicare by a simple majority.

BUT

Closing egregious tax loopholes to reduce the deficit would require a two-thirds majority.

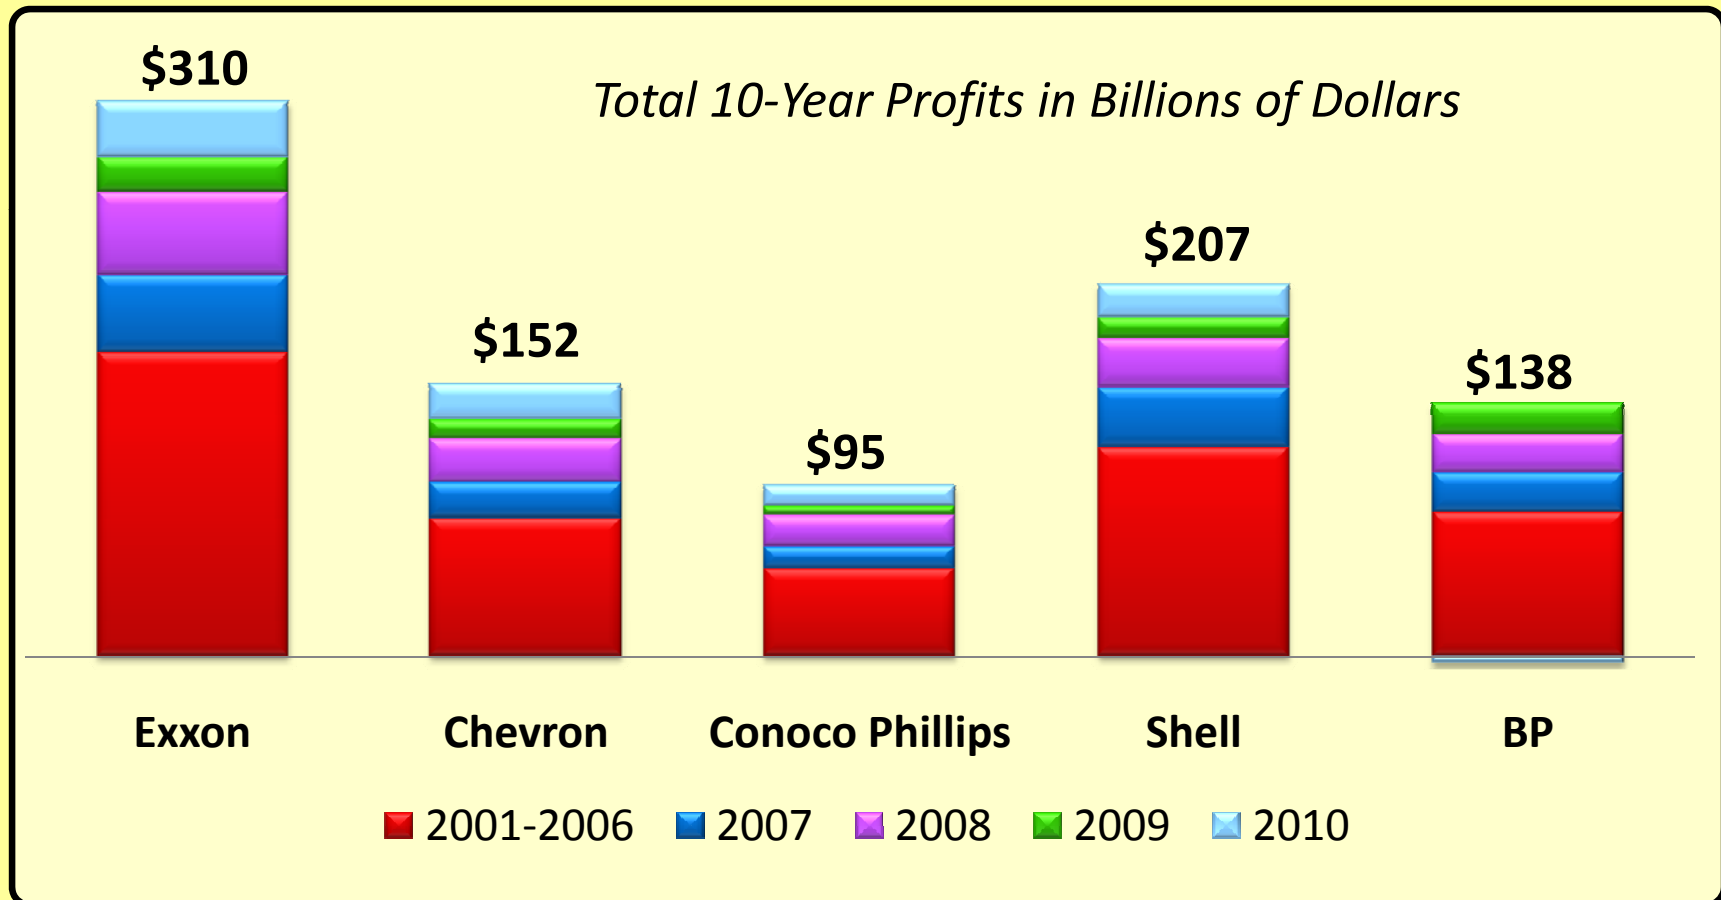

Save Medicare
