Dear Al,

Thanks for the excellent comments at the Regent's Breakfast today. I want to thank you again for responding to Jed Lyons' request that you help me move my bio forward to the Administration for consideration.

As I mentioned, I believe that the part has a unique opportunity to make about a 5% swing of Black votes to the GOP. One of the largest concentrations of wealth and influence lies in the Black business community of small, Black Business owners who represent the largest percentage of participants in the various SBA programs.

As the SBA administrator, I would have an unparalleled ability to serve as an articulate and passionate ambassador for the President's Agenda and at the same time be in a position to encourage both funding and votes to the GOP.

I would love to be given the opportunity to serve in this way.

Cordially,
Lurita Doan
