From: Lourens Badenhorst Sent: Wednesday, March 31, 2004 11:30 PM To: Smith, Cathy; Len Swain Subject: FW: Security issues FYI summary of notes and mails of what was described to me at Monday afternoon's meeting held at Camp Taji this is in sharp contrast to the bells and whistles described in all mails I have read and seen from Mr. Tim Tapp and Jim Brown defending the position every time I have spoken to him about the burning issues. Regards Lourens Badenhorst CEO ESS Design & Build ESS Support Services Worldwide Tel: Cyprus office Fax: Cyprus office Mobile: International Mobile: - Kuwait Mobile: Iraq ----Original Message----From: Tom Powell Sent: 30 March 2004 18:58 To: hilton.vandeventer 📕 Lourens Badenhorst Subject: Security issues This will clarify where Blackwaters position is Hope it helps Between us Tom From: "Mike Rush" >To: "Tom Powell" >Berrey" 4 <justing ,"Brian >CC: <RTTapp >Subject: RE: Thuraya Phones / Support etc >Date: Tue, 30 Mar 2004 09:19:00 -0500 >Tom, First off, I know you are the right man for the Baghdad office and >will make this work. But allow me to point out a couple of things, You >are right about vehicles and comms being the responsibility of RHHS. >And you are right, you and JP worked this for quite some time. >We have a contract to support five 6 man teams, not ten. The expansion >to support ESS D&B is yet to be completely identified, let alone >There is no order for "Hard Cars". The contract only allows for >"hardening" and yes I realize that is not optimum. That is never going >to be totally fixed but it should be addressed. Body armor for the >client is not our responsibility either. I am including Tim on this >email since it is in fact up to RHHS to fix some of the things you >mentioned, particularly reliable vehicles. >Continue to do what you can but we are counting on you to draw the line >when it is not safe or prudent to conduct operations in unreliable >vehicles or in an unsafe manner. >FITH >Mike > > 1
