

Congress of the United States
Washington, DC 20515

January 14, 2010

The Honorable Nancy Pelosi
Speaker
U.S. House of Representatives
H-232 The Capitol

Dear Speaker Pelosi:

As you work toward a final House-Senate health care reform measure we urge you to make the legislation available on the Internet for at least 14 days prior to any vote in the House of Representatives.

We fully support an open dialogue on the health care measure for public view.

The American people have a right to read and review the final health care bill in a time that is honest, reasonable and fair. And members of Congress deserve a reasonable time to review this legislation in order to understand the bill's ramifications fully on our current health care system before casting their votes. This is a transparent, simple and common sense request.

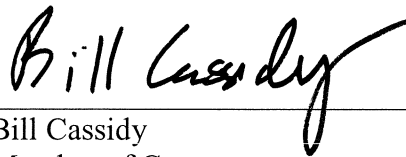

We look forward to your response and commitment to full transparency.

Best personal wishes.

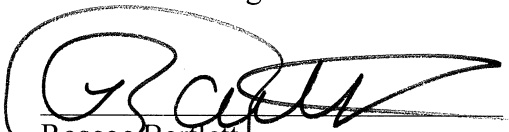

Sincerely,

Leonard Lance
