

Interior Appropriations FY 2011 Requests

Organization: Adams County Water Association

Project Name: Adams County Water Association, Ranney Well Feasibility Study

Purpose: Feasibility Study

City: Natchez

State: Mississippi

Requested Amount: \$465,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Bolivar County Board of Supervisors

Project Name: Bolivar County Rural Sewage System

Purpose: Construction of wastewater system

City: Cleveland

State: Mississippi

Requested Amount: \$2,475,000.00

Justification: This project will improve public health resources and services, a key component necessary for economic growth.

Organization: City of Cleveland

Project Name: City of Cleveland Wastewater Treatment Facility

Purpose: Improvements to wastewater system

City: Cleveland

State: Mississippi

Requested Amount: \$10,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Columbus

Project Name: Columbus City Hall Restoration

Purpose: Historic Preservation

City: Columbus

State: Mississippi

Requested Amount: \$711,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of D'Iberville

Project Name: Sanitary Sewer Collection System Rehabilitation, City of D_Iberville

Purpose: Improvements to sewer system

City: D'Iberville

State: Mississippi

Requested Amount: \$2,900,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Durant

Project Name: Water and Sewer System Improvements

Purpose: Improvements to water and sewer system

City: Durant

State: Mississippi

Requested Amount: \$275,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Ellisville

Project Name: Wastewater Treatment Facilities for the City of Ellisville, Mississippi

Purpose: Construction of wastewater treatment facilities

City: Ellisville

State: Mississippi

Requested Amount: \$8,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Flowood

Project Name: Wirtz Road Water System

Purpose: Construction of new water well and tank

City: Flowood

State: Mississippi

Requested Amount: \$1,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Flowood

Project Name: Hogg Creek Sub-Interceptors Phase VI Testing and Rehabilitation

Purpose: Testing and rehabilitations of wastewater system

City: Flowood

State: Mississippi

Requested Amount: \$800,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Forest

Project Name: City of Forest Water and Wastewater Infrastructure Improvements Program

Purpose: Improvements to water and sewer systems

City: Forest

State: Mississippi

Requested Amount: \$1,500,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Greenville

Project Name: Greenville Bowman Ditch Rehabilitation Project

Purpose: To complete rehab and repair of storm water drainage canal

City: Greenville

State: Mississippi

Requested Amount: \$2,700,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Greenville

Project Name: Greenville Brown Water Treatment Project

Purpose: To make needed changes to the City's water treatment process and equipment

City: Greenville

State: Mississippi

Requested Amount: \$2,400,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Greenwood

Project Name: Greenwood Wastewater Infrastructure Assessment and Repair

Purpose: Improvements to wastewater system

City: Greenwood

State: Mississippi

Requested Amount: \$5,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Greenwood

Project Name: Phase II of the Old Greenwood-Leflore Library Restoration Project

Purpose: Historic Preservation

City: Greenwood

State: Mississippi

Requested Amount: \$800,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Grenada

Project Name: Govan Street to Highway No. 8

Purpose: Improvements to drainage, water, and sewer systems

City: Grenada

State: Mississippi

Requested Amount: \$750,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Grenada

Project Name: Mondy Road Tank and Wells

Purpose: Construction of water tank and wells

City: Grenada

State: Mississippi

Requested Amount: \$2,200,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Grenada

Project Name: Eastern Heights Subdivision

Purpose: Reconstruction of storm drains and streets

City: Grenada

State: Mississippi

Requested Amount: \$375,000.00

Justification: This project will enhance public safety.

Organization: City of Grenada

Project Name: South Street

Purpose: Improvements to drainage, water, and sewer systems

City: Grenada

State: Mississippi

Requested Amount: \$1,750,000.00

Justification: This project will enhance public safety.

Organization: City of Grenada

Project Name: Lake Ridge Estates Overlay

Purpose: Improvements to drainage, water, and sewer systems

City: Grenada

State: Mississippi

Requested Amount: \$505,000.00

Justification: This project will enhance public safety.

Organization: City of Gulfport

Project Name: Water System Infrastructure Improvements, Gulfport, MS.

Purpose: Improvements to water and sewer system

City: Gulfport

State: Mississippi

Requested Amount: \$500,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Mobile Street Water Improvements Project

Purpose: Improvements to water system

City: Hattiesburg

State: Mississippi

Requested Amount: \$1,050,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Wesley Water Treatment Plant Project Hattiesburg

Purpose: Construction of wastewater treatment plant

City: Hattiesburg

State: Mississippi

Requested Amount: \$1,875,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: James Street Water Improvements Project

Purpose: Improvement to water system

City: Hattiesburg

State: Mississippi

Requested Amount: \$5,850.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Hwy 98 Water Tank and Booster Station Hattiesburg, Forrest & Lamar Counties Project

Purpose: Construction of water tank and booster station

City: Hattiesburg

State: Mississippi

Requested Amount: \$1,375,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Sewer Line Replacement Project Hattiesburg, MS

Purpose: Replacement of sewer line

City: Hattiesburg

State: Mississippi

Requested Amount: \$62,500.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Mobile Street Area Sewer Upgrades Project

Purpose: Improvements to sewer line

City: Hattiesburg

State: Mississippi

Requested Amount: \$262,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Hattiesburg Neighborhood Drainage Enhancement & Flood Mitigation Project

Purpose: To address critical rehabilitation needs of the existing municipal sewer system; address critical neighborhood drainage and flood mitigation problems; and needed rehabilitation work at municipal waste water lagoons.

City: Hattiesburg

State: Mississippi

Requested Amount: \$3,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Waste Water System Improvements Hwy 42 Project Hattiesburg, Forrest County, MS

Purpose: Improvements to wastewater system

City: Hattiesburg

State: Mississippi

Requested Amount: \$1,111,500.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Sewer line improvements along Railroad Street Project Hattiesburg, Forrest County, MS

Purpose: Improvements to sewer line

City: Hattiesburg

State: Mississippi

Requested Amount: \$312,500.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Lamar Blvd Lift Station and Gravity Lines Project Hattiesburg, Forrest County, MS

Purpose: Construction of lift station and lines

City: Hattiesburg

State: Mississippi

Requested Amount: \$437,500.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hattiesburg

Project Name: Water System Improvements along Richburg Road, Hattiesburg, Forrest County, MS

Purpose: Improvemtns to water system

City: Hattiesburg

State: Mississippi

Requested Amount: \$424,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Hazlehurst

Project Name: City of Hazlehurst - Wastewater Infrastructure Improvements

Purpose: Improvements to wastewater system

City: Hazlehurst

State: Mississippi

Requested Amount: \$549,083.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Jackson

Project Name: City of Jackson Wastewater System Improvements

Purpose: Improvements to wastewater infrastructure

City: Jackson

State: Mississippi

Requested Amount: \$4,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Kosciusko

Project Name: Kosciusko Wastewater Lagoon Project

Purpose: Improvements to wastewater system

City: Kosciusko

State: Mississippi

Requested Amount: \$1,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Louisville Utilities

Project Name: PUMP STATION REPLACEMENT EAST AND SOUTH LAGOONS

Purpose: Improvements to waste water system

City: Louisville

State: Mississippi

Requested Amount:

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of McComb

Project Name: City of McComb East Interceptor

Purpose: Improvements to wastewater system

City: McComb

State: Mississippi

Requested Amount: \$2,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Meridian

Project Name: County-wide Regional Utility Authority

Purpose: Feasibility Study

City: Meridian

State: Mississippi

Requested Amount: \$500,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Ocean Springs

Project Name: Ocean Springs Road Sewage Extension

Purpose: Improvements to sewer system

City: Ocean Springs

State: Mississippi

Requested Amount: \$600,000.00

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: City of Ocean Springs

Project Name: Ocean Springs MS Stormwater Mgt

Purpose: Improvements to major drainage projects

City: Ocean Springs

State: Mississippi

Requested Amount: \$1,100,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Oxford

Project Name: City Hall Restoration

Purpose: Historic Preservation

City: Oxford

State: Mississippi

Requested Amount: \$2,750,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Pascagoula

Project Name: Round Island Lighthouse Pascagoula, MS

Purpose: Historic Preservation

City: Pascagoula

State: Mississippi

Requested Amount: \$150,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Pearl Mississippi

Project Name: Grandview Heights Wastewater Infrastructure Improvements

Purpose: Improvements to wastewater system

City: Pearl

State: Mississippi

Requested Amount: \$500,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Ridgeland

Project Name: City of Ridgeland Water and Wastewater Infrastructure Program

Purpose: Improvements to water system

City: Ridgeland

State: Mississippi

Requested Amount: \$1,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Tchula, Mississippi

Project Name: Water and Sewer System Improvements

Purpose: Improvements to water and sewer system

City: Tchula

State: Mississippi

Requested Amount: \$330,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Waynesboro

Project Name: City of Waynesboro 2011 Sanitary Sewer Improvements

Purpose: Improvements to sewer system

City: Waynesboro

State: Mississippi

Requested Amount: \$495,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of West Point

Project Name: Museum and Cultural Arts Center

Purpose: Historic Preservation

City: West Point

State: Mississippi

Requested Amount: \$950,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of West Point

Project Name: Upgrades to historic post office

Purpose: Historic Preservation

City: West Point

State: Mississippi

Requested Amount: \$250,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of West Point

Project Name: New wastewater treatment plant

Purpose: Construction of new wastewater treatment plant

City: West Point

State: Mississippi

Requested Amount: \$5,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Columbus-Lowndes Development LINK

Project Name: West Lowndes Regional Sewer

Purpose: Construction of sewer system

City: Columbus

State: Mississippi

Requested Amount: \$1,500,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: East Madison County Utility District

Project Name: East Madison County Sewer Disposal System

Purpose: Improvements to wastewater system

City: Ridgeland

State: Mississippi

Requested Amount: \$1,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Franklin County Board of Supervisors

Project Name: Courthouse Restoration

Purpose: Historic Preservation

City: Meadville

State: Mississippi

Requested Amount: \$175,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Greater Jackson Chamber Partnership

Project Name: Renovations to Central Fire Station, Jackson, Mississippi

Purpose: Historic Preservation

City: Jackson

State: Mississippi

Requested Amount: \$325,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Hind County, MS Board of Supervisors

Project Name: Big Creek Regional Wastewater Improvements

Purpose: Improvements to wastewater system

City: Jackson

State: Mississippi

Requested Amount: \$500,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Jefferson County Board of Supervisors

Project Name: Jefferson County Cultural Heritage Education and Tourism Center Development

Purpose: Historic Preservation

City: Fayette

State: Mississippi

Requested Amount: \$515,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Leflore County Board of Supervisors

Project Name: College Heights Subdivision (Gin Bayou)

Purpose: Stabilization of drainage banks

City: Greenwood

State: Mississippi

Requested Amount: \$573,000.00

Justification: This project will improve public health resources and services, a key component necessary for economic growth.

Organization: Leflore County Board of Supervisors

Project Name: County Road No. 524

Purpose: Improvements to drainage, water, and sewer systems

City: Greenwood

State: Mississippi

Requested Amount: \$1,700,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Leflore County Board of Supervisors

Project Name: County Road No. 512

Purpose: Improvements to drainage, water, and sewer systems

City: Greenwood

State: Mississippi

Requested Amount: \$2,200,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Leflore County Board of Supervisors

Project Name: Rising Sun Subdivision

Purpose: Improvements to drainage, water, and sewer systems

City: Greenwood

State: Mississippi

Requested Amount: \$4,500,000.00

Justification: This project will enhance public safety.

Organization: Leflore County Board of Supervisors

Project Name: County Road No. 145

Purpose: Improvements to drainage, water, and sewer systems

City: Greenwood

State: Mississippi

Requested Amount: \$400,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Leflore County Board of Supervisors

Project Name: Schlater Improvements

Purpose: Improvements to drainage, water, and sewer systems

City: Greenwood

State: Mississippi

Requested Amount: \$5,900,000.00

Justification: This project will improve public health resources and services, a key component necessary for economic growth.

Organization: Leflore County Board of Supervisors

Project Name: County Road No. 318

Purpose: Improvements to drainage, water, and sewer systems

City: Greenwood

State: Mississippi

Requested Amount: \$3,700,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Leflore County Board of Supervisors

Project Name: Browning Pump Station

Purpose: Installation of pump station

City: Greenwood

State: Mississippi

Requested Amount: \$3,800,000.00

Justification: This project will improve public health resources and services, a key component necessary for economic growth.

Organization: Madison County Economic Development Authority

Project Name: Northeast Madison County Rural Fire Protection Investigation

Purpose: Fire protection study

City: Ridgeland

State: Mississippi

Requested Amount: \$200,000.00

Justification: This project will enhance public safety.

Organization: Madison County Wastewater Authority

Project Name: Madison County Wastewater Authority Environmental Management and Implementation

Purpose: Development of comprehensive plan

City: Canton

State: Mississippi

Requested Amount: \$1,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Madison County/West Madison Utility District

Project Name: West Madison Elevated Water Tank

Purpose: Construction of water tank

City: Canton

State: Mississippi

Requested Amount: \$1,750,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Marion County Economic Development District

Project Name: Red Bluff Preservation Area

Purpose: Historic Preservation

City: Columbia

State: Mississippi

Requested Amount: \$2,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Marion County Economic Development District

Project Name: Historic Downtown Columbia Improvements

Purpose: Historic Preservation

City: Columbia

State: Mississippi

Requested Amount: \$4,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Marion County Economic Development District

Project Name: Columbia Main Street Renovation

Purpose: Improvements to drains, pipes, and sidewalks

City: Columbia

State: Mississippi

Requested Amount: \$6,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Marion County Economic Development District

Project Name: Marion County Cultural/Civic Center

Purpose: Renovation of Cultural Arts Center

City: Columbia

State: Mississippi

Requested Amount: \$6,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Mississippi Industrial Heritage Museum, Inc.

Project Name: Meridian Downtown Museum Development Project

Purpose: Historic Preservation

City: Meridian

State: Mississippi

Requested Amount: \$2,950,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Mississippi State University

Project Name: Nontraditional Remote Sensing Data Sources to Address U.S. Land Imaging Needs

Purpose: Research and Development

City: Mississippi State

State: Mississippi

Requested Amount: \$4,000,000.00

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: Mississippi State University

Project Name: Natural Resources Economic Enterprises Program

Purpose: Research and Development

City: Mississippi State

State: Mississippi

Requested Amount: \$1,000,000.00

Justification: This project will support education opportunities for Mississippians. A highly educated workforce is a key component necessary for economic growth.

Organization: Mississippi State University

Project Name: Southern Center for Natural Resource Inventory, Monitoring, and Evaluation

Purpose: Research and Development

City: Mississippi State

State: Mississippi

Requested Amount: \$1,000,000.00

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: Mississippi State University

Project Name: Integrated Management Systems for Invasive Aquatic and Riparian Vegetation

Purpose: Research and Development

City: Mississippi State

State: Mississippi

Requested Amount: \$1,000,000.00

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: Mississippi State University

Project Name: Mississippi River Basin Healthy Watershed Initiative

Purpose: Research and Development

City: Mississippi State

State: Mississippi

Requested Amount: \$3,000,000.00

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: Mississippi State University

Project Name: Breakthrough Programming for Durability and Housing

Purpose: Research and Development

City: Mississippi State

State: Mississippi

Requested Amount: \$2,000,000.00

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: Mississippi State University

Project Name: Transformation of Municipal and Industrial Wastewater Treatment Facilities into a Biorefinery

Purpose: Transformation wastewater facility into biorefinery

City: Mississippi State

State: Mississippi

Requested Amount: \$5,000,000.00

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: Mississippi State University

Project Name: Southeast Regional Small Public Water Systems Technical Assistance Center (SE-TAC)

Purpose: Assistance center to benefit small public water systems

City: Mississippi State

State: Mississippi

Requested Amount: \$500,000.00

Justification: This project will support education opportunities for Mississippians. A highly educated workforce is a key component necessary for economic growth.

Organization: Mississippi University for Women

Project Name: North Mississippi Water Resource Education and Conference Center at Plymouth Bluff

Purpose: Education facility for water resources

City: Columbus

State: Mississippi

Requested Amount: \$3,235,000.00

Justification: This project will support education opportunities for Mississippians. A highly educated workforce is a key component necessary for economic growth.

Organization: Panola County Board of Supervisors

Project Name: North Panola Water District

Purpose: Improvements to water and sewer system

City: Batesville

State: Mississippi

Requested Amount: \$5,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Pearl River County Board of Supervisors

Project Name: Courthouse Renovation Project

Purpose: Historic Preservation

City: Poplarville

State: Mississippi

Requested Amount: \$2,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Pike County Board of Supervisors

Project Name: Regional Sewerage Distribution System

Purpose: Construction of sewer distribution system

City: Magnolia

State: Mississippi

Requested Amount: \$11,000,000.00

Justification: This project will improve public health resources and services, a key component necessary for economic growth.

Organization: Prentiss Institute Board of Trustess

Project Name: Rosenwald School Building

Purpose: Historic Preservation

City: Prentiss

State: Mississippi

Requested Amount: \$500,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Rust College

Project Name: Mississippi Industrial College Historic Preservation Project

Purpose: Historic Preservation

City: Holly Springs

State: Mississippi

Requested Amount: \$3,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Stone County Board of Supervisors

Project Name: Ramsey Springs Boat Ramp and Nature Area

Purpose: Preservation of Red Creek Watershed

City: Wiggins

State: Mississippi

Requested Amount: \$400,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Stone County Board of Supervisors

Project Name: Big Level Community Center

Purpose: Historic Preservation

City: Wiggins

State: Mississippi

Requested Amount: \$115,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Tallahatchie County Board of Supervisors

Project Name: Tallahatchie County Courthouse

Purpose: Historic Preservation

City: Charleston

State: Mississippi

Requested Amount: \$700,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: The University of Mississippi

Project Name: Center for Marine Resources and Environmental Technology (CMRET)

Purpose: Research and Development

City: Oxford

State: Mississippi

Requested Amount: \$900,000.00

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: Town of Sumrall

Project Name: Water upgrade

Purpose: Construction of water tank

City: Sumrall

State: Mississippi

Requested Amount: \$3,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Town of Winstonville

Project Name: Winstonville Water & Sewer System

Purpose: To address critical rehabilitation needs of the existing municipal sewer system

City: Winstonville

State: Mississippi

Requested Amount: \$350,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Tupelo Preservation Commission

Project Name: Spain Home

Purpose: Historic Preservation

City: Tupelo

State: Mississippi

Requested Amount: \$750,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: West Rankin Utility Authority

Project Name: Wastewater Infrastructure Improvements

Purpose: Improvements to sewer system

City: Richland

State: Mississippi

Requested Amount: \$275,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Wildlife Mississippi

Project Name: The Holt Collier Visitor's and Interpretive Center

Purpose: Historic Preservation

City: Stoneville

State: Mississippi

Requested Amount: \$4,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Yazoo Mississippi Delta Joint Water Management District

Project Name: Mid Delta Water and Supply Initiative

Purpose: Water restoration

City: Stoneville

State: Mississippi

Requested Amount: \$5,000,000.00

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.
