Dear Student:

I am pleased to learn of your interest in pursuing a nomination to one of the United States Service Academies. The privilege of nominating young Idahoans is one of my most enjoyable responsibilities as a United States Senator.

Please keep in mind that if you should receive a nomination, it does not mean that you are accepted to an academy. It is only the first step in the appointment process. Final decisions are made by the individual academies, so while the information you send to me will be used to compete for a nomination, you must also open a file with the academy. The data received by the schools enables authorities to judge your competitive standing for actual appointment. You may also apply to both Idaho Senators, your Congressman, and the Vice President of the United States for a nomination.

In addition to the enclosed application, I will need a completed principal/guidance counselor form, three letters of reference, a transcript of your grades with class ranking and GPA at the end of your junior year, and either SAT or ACT scores. If you have not already done so, please include a one page letter explaining why you want to attend an academy.

The application and all remaining materials mentioned above should be received in my office by the close of business on November 30th. They should be collected by you from the school and those writing your references, and sent to my office in a single packet, with the enclosed checklist. The only exception to this would be additional ACT or SAT scores you may wish to send before November 30th.

Again, all application materials are due in my Coeur d'Alene office no later than **November 30th.** Nominations are announced in mid-December. If you have any questions please contact Karen Roetter at (208) 664-5490. She will be more than happy to be of assistance.

The process through appointment is lengthy, but the rewards of an academy education and career in the military are considerable. I wish you well in this pursuit.

Sincerely.

Michael D. Crapo **United States Senator**

Thank you for assisting in the academy application process. The person completing this form should not write one of the letters of recommendation required.

Please read the following memo on residency requirements:

If you are seeking a nomination to a military academy you should apply with the U.S. Representative from your legal state/district of residency. You may also apply with both Senators as well.

You may not apply with more than one Congressman or in more than one state.

The place you currently reside does not necessarily constitute your legal residence. If you are a student, then you must use your parent's legal state of residence. For instance, if your parents were transferred to Idaho but their legal residence is Texas, then you must apply with the representative from the Texas Congressional District, even though you now live in Idaho.

Here are key questions that determine residency for you and your parents:

Legal State of Residency? Home of Record?

In which state do your parents pay taxes?

In which state are your parents' cars registered?

In which state do your parents vote?

If your father/mother is a legal resident of another state yet your other parent works in Idaho and is able to answer yes to the above questions then you may claim Idaho. However, if neither parent fits the criteria, you must apply in their legal state and district.

The academies are very strict about residency requirements, so if you have any questions, please contact Karen Roetter at 208-664-5490 and she will be happy to help. Non-student applicants should call as well if they need assistance in this determination.

TIPS FOR SUCCESS

Early completion of file

Early SAT/ACT testing to allow for retakes if necessary

Early contact with academies so medical tests may be scheduled and completed. If you should find you require some type of medical waiver, the process is lengthy.

Please contact both Senators, your Congressman, and the Vice President as well to insure more possibilities for nominations.

DATES TO REMEMBER

Deadline for full application packet is November 30th. Nominations are announced in mid December.
