**Summary Tabulation of Mass Mailings and Communications
Distributed by Each Member of the U.S. House of Representatives
October 01, 2010 – December 31, 2010**

In accordance with Public Law 104-197 §311 and Resolution 110-10 of the Committee on House Administration, this table summarizes the number and costs (incurred and or obligated) of mass mailings distributed via USPS and/or mass communications distributed via any other means by each Member during the period October 01, 2010 – December 31, 2010. The summary includes the total number and costs of the mass mailings and/or communications distributed, as well as the average number and cost of such distributions per household address in each Member's district.

A mass mailing or communication is any unsolicited mailing or communication of substantially identical content distributed to 500 or more persons, regardless of media, over the course of the Legislative Year (January 3 of one year through January 2 of the following year).

MEMBERS' REPRESENTATIONAL ALLOWANCE

As directed by the Committee on House Administration, listed below in this public report are the 2010 Representational Allowances for the Members of the U.S. House of Representatives.

The total amount of each Member's 2010 Representational Allowance is the sum of the following three component's amounts:

1. Clerk-hire (personnel compensation) – This amount is the same for all Members. For 2010 this amount is \$944,671.

2. Official expenses – This amount varies for each Member and is based on the sum of the following subcomponents:

- A base amount of \$256,574
- The dollar equivalent of 64 x the rate per mile multiplied by the mileage between the District of Columbia and the furthest point in the Member's district, according to the Rand McNally Standard Highway Mileage Guide, plus ten percent. The Following rates per mile apply:

Under 500 miles	\$0.96
At least 500 but less than 750 miles	.86
At least 750 but less than 1,000 miles	.71
At least 1,000 but less than 1,750 miles	.61
At least 1,750 but less than 2,250 miles	.51
At least 2,250 but less than 2,500 miles	.48
At least 2,500 but less than 3,000 miles	.43
3,000 miles or more	1.32

- In no case, shall this amount be less than \$6,200.
 - The dollar equivalent of 2,500 square feet multiplied by the applicable General Services Administration (GSA) rental rate. This rate is based on the rental rate charged by GSA to Federal Agencies and departments located in counties and metropolitan areas located (in whole or in part) in the Member's district.
3. Official Mail – The amount of this component varies for each Member based on the following formula:

- Not more than the product of 3 times the single-piece rate applicable to first class mail and the number (as determined by the Postmaster General) of addresses (other than business delivery stops) in the Member's congressional district.
- The Committee has set the amount at 45% of this calculation.
