Guide for Gold Star Families

The great sacrifices made by our military families will never be forgotten. While each fallen service member is a tragic loss for our country, it is their loved ones who have to live with this heartache every day. In these difficult times, you are not alone, and it would be my honor to assist you in any way I can.

This guide presents a brief overview of the benefits available for Gold Star families. If you have questions, please contact one of our offices, which are listed on the back page. We are always here to help you.

God Bless the Members of Our Armed Forces and Our Military Families.
