HOOKING UP

Single since 2010, **Mary-Kate Olsen**, 26, has reportedly been dating former French President Nicolas Sarkozy's half brother **Olivier Sarkozy**, 43, an investment banker, since April. They hit the Hamptons over Memorial Day.

MADE UP

Playboy Playmate **Crystal Harris**, 26, tweeted June 1, "Yes, **Hugh Hefner** and I are back together." Harris, who left her fiancé mogul, 86, four days before their wedding last June, added, "Yes I am his #1 girl again. We are happy."

WHAT'S UP?

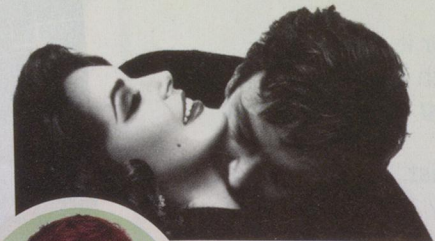

Amanda Seyfried, 26 (in England filming *Les Misérables*), and **Josh Hartnett**, 33, may have hit a rough patch in their five-month relationship. According to reports, their once-hot relationship is on the rocks.

Lohan will have 66 costume changes in the 88-minute movie, in which she plays Taylor (inset, in the 1960s), who died at 79 in March 2011.

LINDSAY LOHAN READY FOR HER CLOSE-UP!

From cinched-waist cocktail gowns to signature eyeliner, **Lohan**, 25, has transformed into **Elizabeth Taylor** (with the help of violet contacts) for the Lifetime biopic *Liz & Dick*, airing this fall. Producer Larry Thompson says Lohan's scandals pale compared to Taylor's: "It's one thing to have a DUI, but another thing for the Pope to denounce you in public."

Lohan and *True Blood*'s Grant Bowler, above right, who plays Richard Burton, recreate the couple's sexy clinch.
