Hey, Mr. Tambourine Man: Drummer Nathan Followill

## Return of the Kings

It took a couple years, but the Kings of Leon have got their sex back on fire! They're deep in sessions with producer Angelo Petraglia at their new Nashville studio, which singer Caleb Followill has called "our little clubhouse."

**NOVEMBER CANE** Out for a stroll in New York, Axl Rose brought along a sturdy stick just in case he had to get in the ring.

**WILD THINGS** Snoop Lion took a break from the sacraments of his new Rastafarian faith to kick it with Ke\$ha at the MTV Movie Awards.

**EMO TO THE RESCUE** Their new album is called *Save Rock and Roll*, but Fall Out Boy helped out in another way — pitching in with Sandy relief in Far Rockaway, Queens.
