"I'd write that in a fucking hour! I don't know what the fuss is about." —Liam Gallagher on Daft Punk's "Get Lucky"

# Random Notes

## Dubstep Disneyland

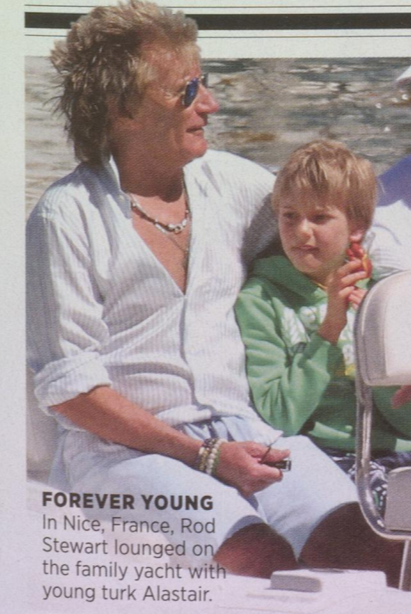

Get ready for the drop! Disney die-hard Skrillex raved heavy in Anaheim with his pal Diplo – spinning in a teacup and bro'ing down with Mickey Mouse (or, as Skrillex calls him, Mickey Mau5). "Man, what an exciting era of this world to be alive and experiencing," he later tweeted. Amen!

**SWAG COACH**  
After months of bad behavior, Justin Bieber's team called in Tyler, the Creator to set him straight.

**THE DAFT AND THE FURIOUS**  
Daft Punk weren't allowed to race at the Monaco Grand Prix when they refused to take off their helmets at check-in.

**FOREVER YOUNG**  
In Nice, France, Rod Stewart lounged on the family yacht with young turk Alastair.

**GOLDEN GIRLS**  
Ke\$ha and Miley Cyrus generously offered to lend Madonna their pants at the *Billboard Awards*.

**YOU'VE GOT A FRIEND**  
After honoring Carole King, President Obama issued an executive order for her to tour again with James Taylor.
