Mad Men Wild in Hawaii!

Jon Hamm hits the shores of the Aloha State to film the new season of his '60s-set AMC drama

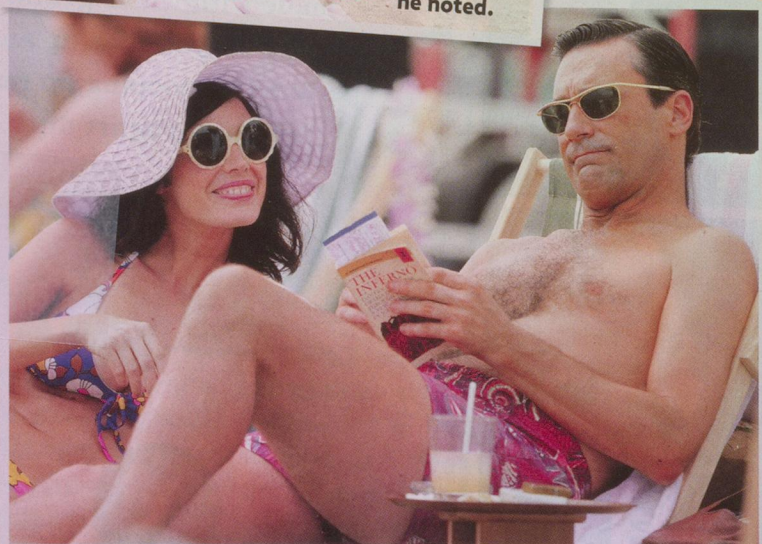

Mahalo, Don Draper!

Hunky Hamm delighted onlookers. "We have a great deal of friends!" he noted.

JESSICA PARÉ and JON HAMM filmed on a rented portion of Oahu's Waikiki Beach Oct. 24.

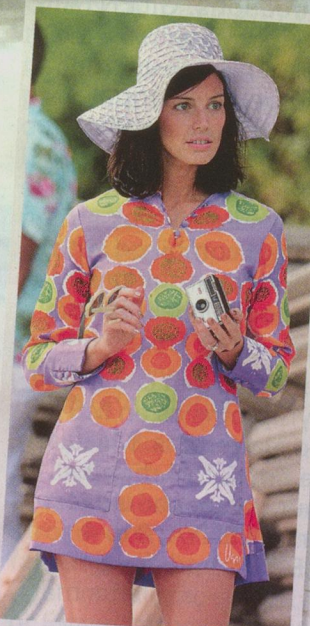

Time for some "Zou Bisou Bisou" on the beach? Megan Draper (Paré) relaxed while husband Don (Hamm) read a copy of Dante's *The Inferno*.

She drank the Royal Hawaiian hotel's Blue Hawaii cocktail while he puffed away.

"It never feels like . . . stiff costumes," Paré has said.

Besides mystery vows, scenes were shot at a bar and in a \$7,500 hotel suite.
