TOM & SURI Thanksgiving Reunion!

The long-separated **Cruises** feast together in England

LONG TIME, NO SEE! **TOM CRUISE** reunited with daughter Suri for Thanksgiving — their first face-to-face in three months — at the Grove hotel in Hertfordshire, England. A source tells Hot Stuff that the actor, shooting *All You Need Is Kill* in the U.K., sent a family member to pick up Suri in NYC (where she has lived with mom **Katie Holmes** since the exes' June split). Cruise, 50, and his daughter, 6, then spent the holiday with three friends in a private dining room at the ultraluxe hotel, where they feasted on a large turkey. The star also reportedly had Suri's room painted pink and toys flown in! Holmes, meanwhile, enjoyed a less elaborate celebration. She visited her parents in her native Toledo, Ohio, before returning to NYC to prep for the November 29 opening of her Broadway show *Dead Accounts*. "Katie could focus while Suri visited Tom," says a pal of Holmes, 33. "She's been doing better each day."

LINDSAY LOHAN Disseminated by Her Costars

SHE RECENTLY TOLD *US* SHE DIDN'T WANT to be known as a "troubled starlet," yet **Lindsay Lohan** didn't help her cause at the November 20 Beverly Hills premiere of *Liz & Dick*. The five-time rehab vet, 26, showed up an hour and 20 minutes late to the red carpet for Lifetime's Elizabeth Taylor biopic — delaying a scheduled dinner and irritating her costars. "Let's make bets on if she shows up or not," actor **Creed Bratton**, 69, was overheard griping. Costar **David Hunt**, 58, complained as well, says a source: "He groaned, 'I have an early flight tomorrow, and I'm starving. I want to eat!'" Even a producer got into the act. The insider says the exec joked to the waiting photographers, "Now you know what it was like *making* the movie!" Responds a Lohan pal, "Lindsay was late due to a wardrobe issue. People were sewing her dress up to the last second."

"When she shows up, she'll be fantastic," one producer told photographers at the Nov. 20 event.

Olsen (left) with Sarkozy and Margot

MK's Surprising Pal

Doubters be damned. **Mary-Kate Olsen's** romance with **Olivier Sarkozy**, 43, is not only going strong after seven months, but a source says the designer, 26, has even won over his ex-wife! "Mary-Kate always includes her," says a source of Charlotte Sarkozy, 42, who split with the French financier in 2010 after 13 years. "MK asks her permission about things that concern the kids [Julien, 11, and Margot, 9]. So Charlotte loves her!"

Jef's Got a New Girl!

Jef Holm isn't at home nursing a broken heart. Six weeks after the *Bachelorette* star split from **Emily Maynard**, 26, he's already romancing another woman: New Orleans-based **Katianna Bear**, 23. "They started dating in the last month," says a source of the duo (whose relationship was revealed by Wetpaint Entertainment). "She fits his mold: young, blonde and pretty." The insider adds that the Salt Lake City-based entrepreneur, 28, "is flying her all over to be with him." And though Bear tells Hot Stuff, "I can assure you [this information] is false," the source confirms the two have been living it up. On November 17, they partied at the Mint in Scottsdale, Arizona. Adds a witness, "They were acting like a couple and having fun."
