## SPECIAL ORDERS

### SPECIAL ORDER SPEECHES

The format for recognition for morning-hour debate and restricted special order speeches, which began on February 23, 1994, was reiterated on January 4, 1995, and was supplemented on January 3, 2001, will continue to apply in the 109th Congress as outlined below:

On Tuesdays, following legislative business, the Chair may recognize Members for special-order speeches up to midnight, and such speeches may not extend beyond midnight. On all other days of the week, the Chair may recognize Members for special-order speeches up to four hours after the conclusion of five-minute special-order speeches. Such speeches may not extend beyond the four-hour limit without the permission of the Chair, which may be granted only with advance consultation between the leaderships and notification to the House. However, at no time shall the Chair recognize for any special-order speeches beyond midnight.

The Chair will first recognize Members for five-minute special-order speeches, alternating initially and subsequently between the parties, regardless of the date the order was granted by the House. The Chair will then recognize longer special-orders speeches. A Member recognized for a five-minute special-order speech may not be recognized for a longer special-order speech. The four-hour limitation will be divided between the majority and minority parties. Each party is entitled to reserve its first hour for respective leaderships or their designees. Recognition will alternate initially and subsequently between the parties each day.

The allocation of time within each party's two-hour period (or shorter period if prorated to end by midnight) is to be determined by a list submitted to the Chair by the respective leaderships. Members may not sign up with their leadership for any special-order speeches earlier than one week prior to the special-order, and additional guidelines may be established for such sign-ups by the respective leaderships.

Pursuant to clause 2(a) of rule V, the television cameras will not pan the Chamber, but a "crawl" indicating morning hour or that the House has completed its legislative business and is proceeding with special-order speeches will appear on the screen. The Chair may announce other television camera adaptations during this period.

The continuation of this format for recognition by the Speaker is without prejudice to the Speaker's ultimate power of recognition under clause 2 of rule XVII should circumstances so warrant.

### MORNING-HOUR DEBATE

On motion of Mr. Dreier, by unanimous consent, *Ordered*, That for the remainder of the 109th Congress: (1) on legislative days of Monday when the House convenes pursuant to House Resolution 8 the House shall convene 90 minutes earlier than the time otherwise established by that resolution solely for the purpose of conducting morning-hour debate; and (2) on legislative days of Tuesday when the House convenes pursuant to House Resolution 8: (a) before May 15, 2006, the House shall convene for morning-hour debate 90 minutes earlier than the time otherwise established by that resolution; and (b) after May 15, 2006, the House shall convene for morning-hour debate one hour earlier than the time otherwise established by that resolution; and (3) on legislative days of Monday or Tuesday when the House convenes for morning-hour debate pursuant to an order other than House Resolution 8, the House shall resume its session 90 minutes after the time otherwise established by that order; (4) the time for morning-hour debate shall be limited to the 30 minutes allocated to each party (except that on Tuesdays after May 15, 2006, the time shall be limited to 25 minutes allocated to each party and may not continue beyond 10 minutes before the hour appointed for the resumption of the session of the House); and (5) the form of proceeding to Morning-Hour Debate shall be as follows: (a) the prayer by the Chaplain, the approval of the Journal, and the Pledge of Allegiance to the flag shall be postponed until resumption of the session of the House; (b) initial and subsequent recognitions for debate shall alternate between the parties; (c) recognition shall be conferred by the Speaker only pursuant to lists submitted by the Majority leader and by the Minority leader; (d) no Member may address the House for longer than 5 minutes (except the Majority leader, the Minority leader, or the Minority whip); and following morning-hour debate, the Chair shall declare a recess pursuant to clause 12(a) of rule I until the time appointed for the resumption of the session of the House.

## THE MORNING HOUR FOR THE CALL OF COMMITTEES

Rule XIV, clause 4:

"4. After the unfinished business has been disposed of, the Speaker shall call each standing committee in regular order and then select committees. Each committee when named may call up for consideration a bill or resolution reported by it on a previous day and on the House Calendar. If the Speaker does not complete the call of the committees before the House passes to other business, the next call shall resume at the point it left off, giving preference to the last bill or resolution under consideration. A committee that has occupied the call for two days may not call up another bill or resolution until the other committees have been called in their turn."

NOTE.—Call rests with the Committee on Agriculture.

## CALENDAR WEDNESDAY BUSINESS

Rule XV, clause 7:

"7. (a) On Wednesday of each week, business shall not be in order before completion of the call of the committees (except as provided by clause 4 of rule XIV) unless two-thirds of the Members voting, a quorum being present, agree to a motion that the House dispense with the call. Such a motion shall be privileged. Debate on such a motion shall be limited to five minutes in support and five minutes in opposition.

(b) A bill or resolution on either the House or the Union Calendar, except bills or resolutions that are privileged under the Rules of the House, may be called under this clause. A bill or resolution called up from the Union Calendar shall be considered in the Committee of the Whole House on the state of the Union without motion, subject to clause 3 of rule XVI. General debate on a measure considered under this clause shall be confined to the measure and may not exceed two hours equally divided between a proponent and an opponent.

(c) When a committee has occupied the call under this clause on one Wednesday, it shall not be in order on a succeeding Wednesday to consider unfinished business previously called up by that committee until the other committees have been called in their turn unless—

(1) the previous question has been ordered on such unfinished business; or

(2) the House adopts a motion to dispense with the call under paragraph (a).

(d) If any committee has not been called under this clause during a session of a Congress, then at the next session of that Congress the call shall resume where it left off at the end of the preceding session.

(e) This rule does not apply during the last two weeks of a session of Congress.

(f) The Speaker may not entertain a motion for a recess on a Wednesday except during the last two weeks of a session of Congress."

SEC. 3

Rule XIII, clause 1(a):

“(3) A Private Calendar as provided in clause 5 of rule XV, to which shall be referred all private bills and private resolutions.”

Rule XV, clause 5:

“5. (a) On the first Tuesday of a month, the Speaker shall direct the Clerk to call the bills and resolutions on the Private Calendar after disposal of such business on the Speaker’s table as requires reference only. If two or more Members, Delegates, or the Resident Commissioner object to the consideration of a bill or resolution so called, it shall be recommitted to the committee that reported it. No other business shall be in order before completion of the call of the Private Calendar on this day unless two-thirds of the Members voting, a quorum being present, agree to a motion that the House dispense with the call.

“(b)(1) On the third Tuesday of month, after the disposal of such business on the Speaker’s table as requires reference only, the Speaker may direct the Clerk to call the bills and resolutions on the Private Calendar. Preference shall be given to omnibus bills containing the texts of bills or resolutions that have previously been objected to on a call of the Private Calendar. If two or more Members, Delegates, or the Resident Commissioner object to the consideration of a bill or resolution so called (other than on omnibus bill), it shall be recommitted to the committee that reported it. Two-thirds of the Members voting, a quorum being present, may adopt a motion that the House dispense with the call on this day.

“(2) Omnibus bills shall be read for amendment by paragraph. No amendment shall be in order except to strike or to reduce amounts of money or to provide limitations. An item or matter stricken from an omnibus bill may not thereafter during the same session of Congress be included in an omnibus bill. Upon passage such an omnibus bill shall be resolved into the several bills and resolutions of which it is composed. The several bills and resolutions, with any amendments adopted by the House, shall be engrossed, when necessary, and otherwise considered as passed severally by the House as distinct bills and resolutions.

“(c) The Speaker may not entertain a reservation of the right to object to the consideration of a bill or resolution under this clause. A bill or resolution considered under this clause shall be considered in the House as in the Committee of the Whole. A motion to dispense with the call of the Private Calendar under this clause shall be privileged. Debate on such a motion shall be limited to five minutes in support and five minutes in opposition.”

## CALENDAR OF MOTIONS TO DISCHARGE COMMITTEES

SEC. 4

Rule XV, clause 2:

"2. (a) Motions to discharge committees shall be in order on the second and fourth Mondays of a month.

"(b)(1) A Member may present to the Clerk a motion in writing to discharge—

"(A) a committee from consideration of a public bill or public resolution that has been referred to it for 30 legislative days; or

"(B) the Committee on Rules from consideration of a resolution that has been referred to it for seven legislative days and that proposes a special order of business for the consideration of a public bill or public resolution that has been reported by a standing committee or has been referred to a standing committee for 30 legislative days.

"(2) Only one motion may be presented for a bill or resolution. A Member may not file a motion to discharge the Committee on Rules from consideration of a resolution providing for the consideration of more than one public bill or public resolution or admitting or effecting a nongermane amendment to a public bill or public resolution.

"(c) A motion presented under paragraph (b) shall be placed in the custody of the Clerk, who shall arrange a convenient place for the signatures of Members. A signature may be withdrawn by a Member in writing at any time before a motion is entered on the Journal. The Clerk shall make signatures a matter of public record, causing the names of the Members who have signed a discharge motion during a week to be published in a portion of the Congressional Record designated for that purpose on the last legislative day of the week and making cumulative lists of such names available each day for public inspection in an appropriate office of the House. The Clerk shall devise a means for making such lists available to offices of the House and to the public in electronic form. When a majority of the total membership of the House shall have signed the motion, it shall be entered on the Journal, printed with the signatures thereto in the Record, and referred to the Calendar of Motions to Discharge Committees.

"(d)(1) On the second and fourth Mondays of a month (except during the last six days of a session of Congress), immediately after the Pledge of Allegiance to the Flag, a motion to discharge that has been on the calendar for at least seven legislative days shall be privileged if called up by a Member whose signature appears thereon. When such a motion is called up, the House shall proceed to its consideration under this paragraph without intervening motion except one motion to adjourn. Privileged motions to discharge shall have precedence in the order of their entry on the Journal.

"(2) When a motion to discharge is called up, the bill or resolution to which it relates shall be read by title only. The motion is debatable for 20 minutes, one-half in favor of the motion and one-half in opposition thereto.

"(e)(1) If a motion prevails to discharge the Committee on Rules from consideration of a resolution, the House shall immediately consider the resolution, pending which the Speaker may entertain one motion that the House adjourn. After the result of such a motion to adjourn is announced, the Speaker may not entertain any other dilatory motion until the resolution has been disposed of. If the resolution is adopted, the House shall immediately proceed to its execution.

"(2) If a motion prevails to discharge a standing committee from consideration of a public bill or public resolution, a motion that the House proceed to the immediate consideration of such bill or resolution shall be privileged if offered by a Member whose signature appeared on the motion to discharge. The motion to proceed is not debatable. If the motion to proceed is adopted, the bill or resolution shall be considered immediately under the general rules of the House. If unfinished before adjournment of the day on which it is called up, the bill or resolution shall remain the unfinished business until it is disposed of. If the motion to proceed is rejected, the bill or resolution shall be referred to the appropriate calendar, where it shall have the same status as if the committee from which it was discharged had duly reported it to the House.

"(f)(1) When a motion to discharge originated under this clause has once been acted on by the House, it shall not be in order to entertain during the same session of Congress—

"(A) a motion to discharge a committee from consideration of that bill or resolution or of any other bill or resolution that, by relating in substance to or dealing with the same subject matter, is substantially the same; or

"(B) a motion to discharge the Committee on Rules from consideration of a resolution providing a special order of business for the consideration of that bill or resolution or of any other bill or resolution that, by relating in substance to or dealing with the same subject matter, is substantially the same.

"(2) A motion to discharge on the Calendar of Motions to Discharge Committees that is rendered out of order under subparagraph (1) shall be stricken from that calendar."
