CALENDAR FOR UNANIMOUS CONSENT.

Paragraph 3, Rule XIII:

"3. After a bill which has been favorably reported shall be upon either the House or the Union Calendar any Member may file with the Clerk a notice that he desires such a bill placed upon a special calendar to be known as the 'Calendar for Unanimous Consent.' On days when it shall be in order to move to suspend the rules the Speaker shall, immediately after the approval of the Journal, direct the Clerk to call the bills which have been for three days upon the 'Calendar for Unanimous Consent.' Should objection be made to the consideration of any bill so called, it shall immediately be stricken from such calendar; but such bill may be restored to the calendar at the instance of the Member, and if again objected to, it shall be immediately stricken from such calendar, and shall not thereafter be placed thereon: *Provided*, That the same bill shall not be called twice on the same legislative day."

CALENDAR WEDNESDAY.

Paragraph 4, Rule XXIV:

"4. After the unfinished business has been disposed of, the Speaker shall call each standing committee in regular order, and then select committees, and each committee when named may call up for consideration any bill reported by it on a previous day and on the House Calendar, and if the Speaker shall not complete the call of the committees before the House passes to other business, he shall resume the next call where he left off, giving preference to the last bill under consideration: *Provided*, That whenever any committee shall have occupied the morning hour on two days it shall not be in order to call up any other bill until the other committees have been called in their turn."

Paragraph 7, Rule XXIV:

"7. On Wednesday of each week no business shall be in order except as provided by paragraph 4 of this rule, unless the House by a two-thirds vote on motion to dispense therewith shall otherwise determine. On such a motion there may be debate not to exceed five minutes for and against.

"On a call of committees under this rule bills may be called up from either the House or the Union Calendar, excepting bills which are privileged under the rules; but bills called up from the Union Calendar shall be considered in Committee of the Whole House on the state of the Union.

"This rule shall not apply during the last two weeks of the session.

"It shall not be in order for the Speaker to entertain a motion for a recess on any Wednesday, except during the last two weeks of the session."

CALENDAR OF MOTIONS TO DISCHARGE COMMITTEES.

Paragraph 4, Rule XXVII:

"4. Any Member may present to the Clerk a motion in writing to discharge a committee from further consideration of any public bill or joint resolution which may have been referred to such committee 15 days prior thereto. All such motions shall be entered in the Journal and printed on a calendar to be known as a Calendar of Motions to Discharge Committees. After the Unanimous Consent Calendar shall have been called on any Monday, and motions to suspend the rules have been disposed of, it shall be in order to call up any such motion which shall have been entered at least seven days prior thereto.

"Recognition for such motions shall be in the order in which they have been entered. When such motion shall be called up, the bill shall be read by title only prior to a second being ordered by tellers, and no such motion shall be entertained as to a bill or joint resolution the title of which contains more than 100 words; after the reading of the bill by title, the motion shall not be submitted to the House unless seconded by a majority by tellers; if such motion fails of a second, it shall be immediately stricken from the calendar and shall not be thereafter placed thereon. If a second be ordered, debate on such motion shall be limited to 20 minutes, one-half thereof in favor of the proposition and one-half in opposition thereto. Such motions shall require for adoption an affirmative vote of a majority of the membership of the House. Whenever such a motion shall prevail, the bill so taken from the consideration of a committee shall thereupon be placed upon its appropriate calendar, and upon call of the committee from which any bill has been so taken it may be called up for consideration by any Member prior to any bill reported by said committee at a date subsequent to the discharge of said committee: *Provided*, No Member shall have upon such calendar more than two motions at the same time."
