Regulations Freeze: Members voted, 245-172, to bar new federal regulations having an impact of \$100 million or more on the economy from taking effect until the U.S. jobless rate drops below 6 percent. Presidents could waive the ban to meet emergencies. A yes vote was to pass HR 4078.

N Y Y N N

Weather-Related Regulations: Voting 177-240, members defeated an amendment to HR 4078 (above) to prevent interruptions in regulations protecting the public from "extreme weather, including drought, flooding and catastrophic wildfire." A yes vote was to sustain weather-related regulations.

N N N Y Y

Clean-Water Regulations: Members refused, 188-231, to exempt rules ensuring safe drinking water from the freeze that HR 4078 (above) would impose on major federal regulations until the jobless rate drops below 6 percent in a given quarter. A yes vote was to sustain clean-water regulations.

SENATE

Dianne Feinstein
619-231-9712 or 202-224-3841

Sen. Barbara Boxer	Sen. Dianne Feinstein
--------------------	-----------------------

Security in Cyberspace: Senators voted, 84-11, to start debating a bill (S 3414) giving companies requirements and incentives for safeguarding power grids, communications links, nuclear power plants, transportation systems, water plants and other infrastructure from attacks in cyberspace. A yes vote was to advance the bill.

Yes Yes

KEY VOTES AHEAD

In the week of July 30, the House will take up an extension of Bush-era tax cuts, while the Senate will resume debate on a measure to protect U.S. infrastructure from computer attacks. Congress begins a five-week recess at week's end.
