AMENDMENT TO DRAFT OVERSIGHT PLAN OFFERED BY M.

On page 3, at the end of the section entitled "Climate Change", insert the following new paragraph:

"The Committee will hold hearings to examine each of the multiple lines of evidence that convince the overwhelming majority of scientists and scientific organizations that climate change is occurring, is caused by human activities and poses substantial risks to the nation's public health, environment, economy and prosperity. Invited witnesses will include the National Academy of Sciences."
