The Committee for Small Business will meet for a hearing titled, *Regulatory Flexibility Act Compliance: Is EPA Failing Small Businesses?* The hearing is scheduled to begin immediately following the conclusion of the 1:00 P.M. markup on June 27, 2012 in Room 2360 of the Rayburn House Office Building.

The hearing will examine whether the Environmental Protection Agency (EPA) is complying with the Regulatory Flexibility (RFA). The RFA requires federal agencies to assess the economic impact of their regulations on small businesses, small non-profits, and small governmental jurisdictions and if the impact is significant, consider alternatives that are less burdensome. The Committee will focus on specific RFA compliance issues in the context of several EPA regulations.

**A staff briefing will be held on Monday, June 25, 2012 at 2:00 P.M. in Room 2360 of the Rayburn House Office Building.**
