## GUIDE TO NEVADA MINORITY SMALL BUSINESS OWNERS AND ENTREPRENEURS

Small businesses, both minority-owned and otherwise, are unquestionably vital to our national economy and a growing source of employment for Americans. During these tough economic times, I understand the hardships that small business owners face and the unique hurdles that minority-owned businesses must overcome. I remain committed to helping small businesses not only weather the storm, but come out stronger. There are many resources and organizations available to small business owners in Nevada and across the country. This pamphlet has been assembled to help you in finding and utilizing these tools to grow your business.
