Rated  
BEST STATES for WOMEN!!!**

April 17, 2002

Dear Colleague,

As you may know, the Institute for Women's Policy Research published a report\* which measured how American women are doing in politics, economics, health, education, and reproductive rights in each state. According to the report, women do best overall in Connecticut and Vermont, followed by Hawaii, Colorado, Minnesota, New Hampshire, and Alaska.

I urge you to demonstrate your support for women. It's 2002 and it's time the United States makes a statement and guarantees WOMEN and MEN equal status. H.J.Res. 40, the Women's Equality Amendment would do that. For more information about H.J.Res. 40, or to become a co-sponsor, please have your staff contact Mimi Aledo at x5-7944.

Sincerely,

  
CAROLYN B. MALONEY  
Member of Congress
