Dear Representative,

On behalf of Eagle Forum and the thousands of families we represent, I want to thank you and your staff for your hard work, fighting for well-prioritized spending cuts and fighting federal government overreach over the past few weeks.

As I travel throughout the country, I continue to hear that Americans want to see bold action to secure our nation's financial future. They want their representatives to fight for a smaller federal government, less spending and lower taxes to grow our economy and create jobs.

Therefore, I urge you to **vote for both Chairman Paul Ryan's and the Republican Study Committee's proposed budgets**. Both answer the mandate issued last November to repeal Obamacare, cut spending, reform entitlements and balance the federal budget without raising taxes.

We will score votes on **both** budget proposals, so please vote **YES on both Chairman Ryan's and the Republican Study Committee's budget resolutions**.

Faithfully,

Phyllis Schlafly
