Page 3, after line 21, insert the following new subsection:

1 (f) REQUIRED STUDY.—Notwithstanding subsection
2 (a), final approval of construction and operation of the
3 Keystone XL pipeline shall not occur until the President
4 has determined that the appropriate Federal agency has
5 completed a study of the health impacts of increased air
6 pollution in communities near refineries that will process
7 up to 830,000 barrels per day of tar sands crude trans-
8 ported through the Keystone XL pipeline, including an as-
9 sessment of the cumulative air pollution impacts on these
10 communities, many of which already experience unhealthy
11 levels of air pollution.
