Dear Academy Applicant:

Thank you for your interest in a nomination to the United States Service Academies. I believe those who choose to serve in our nation's military are emblematic of the bravery and selflessness that has made America a beacon of freedom for over two centuries.

America's Service Academies have a rich history and have been training military officers in this country. From the fields of Gettysburg to the sands of Normandy's Omaha Beach, military leaders trained at these stellar academies have helped lead this country through some of its most difficult days. Their work continues today in places such as Iraq and Afghanistan where America's Armed Forces have continued to defend liberty for all those who seek it.

The Service Academies allow students to serve their nation while receiving a quality, tuition-free education at some of the nation's finest educational institutions. Making nominations to our nation's Service Academies is a privilege that I take very seriously. I am humbled by the opportunity to name some of Northern Michigan's finest young people to our Service Academies. Please use the information enclosed in this packet to submit an application to my office. And whether or not you are nominated, I would like to sincerely wish you the best of luck in your future endeavors.

Best wishes,

Dan Benishek M.D.
Member of Congress
Michigan's First District

SERVICE ACADEMY NOMINATIONS

HOW NOMINATIONS ARE COMPLETED

Choosing the most qualified candidates to be nominated for a Service Academy nomination is no easy task. Congressman Benishek is committed to having a fair and open nomination process. Nominees are chosen strictly on the quality of their qualifications, past academic record, standardized test scores, resume, essay and letters of recommendation. No other information will be used when selecting candidates for nomination.

In order to ensure the utmost level of fairness and quality in the fiercely competitive nomination process, Congressman Benishek has asked a number of qualified and experienced individuals to serve on a Service Academy Nomination Board. This board will review all applications, interview prospective nominees and then choose who they feel are the most qualified candidates for Service Academy nominations.

There are undoubtedly many young people in Northern Michigan suitable for a nomination to a military academy, but Congressman Benishek believes this process is the most fair and efficient way to select the most skilled and qualified candidates to be nominated.
