Working for Washington's Seniors

Stopping Medicare Cuts

Washington's seniors deserve quality health care benefits. Dave Reichert is committed to working in a bipartisan way to protect these important benefits for our seniors. When partisan fighting in Washington, DC pitted seniors against children, he spoke out to protect Medicare home health benefits, home oxygen equipment, dialysis facilities, and access to wheelchairs. **Dave Reichert's solution protected benefits for more than 100,000 Washington State seniors,** while renewing a health care program for low-income children.

Fighting for Better Health Care for All Generations

✓ **Increasing Funding for Critical Medical Research:** Congressman Reichert is leading a bipartisan effort to urge Congress to make a long-term, sustained investment in the promising medical research being conducted at the National Institutes of Health (NIH), seeking a \$2 billion across-the-board increase in the upcoming year. The NIH represents the greatest hope for finding cures and treatments for the diseases and conditions that affect so many.

✓ **Prescription Drug Assistance:** Congressman Reichert has voted for additional funding for programs that assist seniors with enrollment in the Medicare prescription drug benefit. His office is always available to assist you if you have questions about the benefit or have a problem with your plan. Contact his district office at (877) 920-9208.

Dave Reichert meets with a local senior during his recent Veterans' Resource Fair. Seniors' issues are a top priority for Dave in Congress.
