

**AMENDMENT TO DRAFT OVERSIGHT PLAN
OFFERED BY MR. PALLONE**

On page 3, at the end of the section entitled “Climate Change”, insert the following new paragraph:

1 “The Committee will hold hearings to examine the threats posed
2 by climate change to the coastal areas of the United States, including sea
3 level rise, more frequent and intense storms, and ocean acidification.
4 Invited witnesses will include members of the National Climate
5 Assessment and Development Advisory Committee and the National
6 Academy of Sciences.”
