#### ***Chris Marshall, MPA***

***Director, Portland, OR VA Regional Office  
Veterans Benefits Administration***

Mr. Chris Marshall was selected as the Director of the Portland Regional Office in November 2009. The Portland office administers the full range of compensation and vocational rehabilitation benefits to Veterans throughout the state of Oregon and five counties in Southwestern Washington.

Mr. Marshall's VBA career began in 1991 at the Washington, D.C., Regional Office where he was an Accounts Receivable analyst. He relocated to Denver in 1993, where he worked in the Veterans Service Center, culminating in an assignment as a first-line supervisor beginning in 2001.

From August 2004 to December 2006, Mr. Marshall was a management analyst in the Office of Field Operations. While there, he was responsible for the execution and management of VBA's field operations budget and coordinating policy and operations issues between the Regional Offices and VA Central Office. Mr. Marshall served as an Assistant Director in VBA's Office of Performance Analysis and Integrity (PA&I) for just over three years, where he directed the Performance Analysis Staff and the Data and Information Services Staff. He provided direct support to the Office of the Under Secretary for Benefits in both roles.
