

**AMENDMENT TO THE RULES COMMITTEE PRINT  
OF H.R. 1960  
OFFERED BY MR. GARAMENDI OF CALIFORNIA**

At the end of subtitle C of title XXVIII, add the following new section:

1 **SEC. 2822. REPORT ON ONSITE RENEWABLE POWER GEN-**  
2 **ERATION.**

3 (a) ONSITE RENEWABLE POWER GENERATION SUP-  
4 PLY CHAIN ASSESSMENT.—

5 (1) REPORT REQUIRED.—Not later than 90  
6 days after the date of the enactment of this Act, the  
7 Secretary of Defense, in consultation with the Sec-  
8 retary of Energy, shall submit to the Committees on  
9 Armed Services of the House of Representatives and  
10 the Senate a report assessing the potential impact of  
11 onsite renewable power generation supply chains on  
12 energy performance goals under section 2911 of title  
13 10, United States Code.

14 (2) MATTERS COVERED.—The report shall in-  
15 clude findings regarding how supply chains for re-  
16 newable power generation technologies may affect  
17 the following:

1 (A) Grid reliability and resiliency impacts  
2 on Department of Defense mission and oper-  
3 ations.

4 (B) Energy system operations, manage-  
5 ment, and maintenance as well as any potential  
6 benefits or vulnerabilities.

7 (C) Critical infrastructure.

8 (D) Department of Defense procurement  
9 and logistics impacts.

10 (3) IMPLEMENTATION PLAN.—The report shall  
11 include an implementation plan for mitigating any  
12 identified supply chain risks associated with the in-  
13 stallation of renewable power generating assets ei-  
14 ther directly interconnected to, or delivering energy  
15 to a military installation through, a third-party fi-  
16 nancing contracting vehicle.

17 (b) REGULATIONS.—

18 (1) REVISIONS REQUIRED.—Within 90 days  
19 after submitting the report required under sub-  
20 section (a), the Secretary shall address any report  
21 findings or recommendations by amending regula-  
22 tions governing the procurement of onsite renewable  
23 generating assets to enhance energy security at mili-  
24 tary installations and facilities.

1           (2) MATTERS TO BE TAKEN INTO ACCOUNT.—

2           Consistent with international trade obligations, any  
3           regulations promulgated pursuant to this subsection  
4           shall take into account—

5                   (A) the functionality of individual compo-  
6                   nents of photovoltaic systems and modules; and

7                   (B) the ability to enhance installation en-  
8                   ergy security through domestic content require-  
9                   ments under chapter 83 of title 41, United  
10                  States Code (popularly referred to as the Buy  
11                  American Act).
