

HARRY REID

Senator for Nevada, Majority Leader

GUIDE TO NEVADA BUSINESS OWNERS AND ENTREPRENEURS

I am a strong supporter of small businesses because they play a vital role in the economy by spurring innovation, job creation, and competition among the global market. According to the Office of Advocacy within the Small Business Administration, small businesses represent 99.7 percent of all employer firms. That is why I remain committed to fostering an economic environment that promotes development among entrepreneurs everywhere. There are many resources and organizations available to small business owners in Nevada and across the country. This pamphlet has been assembled to help you in finding and utilizing these tools to grow your business.
