Re: Pending Legislation to Protect VA Whistleblowers

Dear Representative Kirkpatrick:

The Office of Special Counsel (OSC) has received thousands of whistleblower retaliation complaints and disclosures from Department of Veterans Affairs (VA) employees. Based on this experience, we write to express our strong support for your amendment to H.R. 5620, the VA Accountability First and Appeals Modernization Act. Based on our review of the amendment, we believe it will advance the interests of VA whistleblowers.

Importantly, the amendment establishes the Office of Accountability and Whistleblower Protection (OAWP). OSC's ongoing work with VA whistleblowers will benefit from having a high-level point of contact with the statutory authority to identify, correct, and prevent threats to patient care and to discipline those responsible for creating them. The establishment of similar offices at other agencies, including the Federal Aviation Administration, has significantly improved the whistleblower experience at those agencies. And OAWP, with a Senate-confirmed leader, will have the authority and a mandate to make a significant difference.

For these and other reasons, we believe your amendment will best advance the interests of VA whistleblowers and the Veterans served by the Department. If you are in need of additional information, please contact Adam Miles, Deputy Special Counsel for Policy and Congressional Affairs, at 202-254-3607. We appreciate the bipartisan support for stronger whistleblower protections for VA employees, as reflected in H.R. 5620, and believe this amendment will greatly enhance this effort.

Sincerely,
