## U.S. Service Academy Nomination Information

All young men and women desiring to attend the United States Military, Naval, Air Force and Merchant Marine Academies beginning the academic year 2017-2018, and who are U.S. citizens residing in the **27th Congressional district of Florida**, may apply for a nomination from Congresswoman Ileana Ros-Lehtinen.

**Note:** In addition to applying for a Congressional nomination from this office, **all prospective candidates must apply directly to the Academies to be considered for admission.**

In January, Congresswoman Ros-Lehtinen will nominate ten candidates each to the Military Academy at West Point, New York; the Naval Academy at Annapolis, Maryland; and the Air Force Academy at Colorado Springs, Colorado for classes beginning July 2017.

All nominees are competitive with one another, after successfully completing a battery of scholastic and physical aptitude examinations administered by the Academies later this year. (The Academies will post the examination dates.)

The ten candidates nominated by the Congresswoman for the Merchant Marine Academy at Kings Point, New York will be competing against other Florida nominees for ten scholarships allotted to the state for the class beginning July 2017.

**The deadline for submitting all materials required by Congresswoman Ros-Lehtinen's district office is Monday, December 12, 2016.**

Candidates should contact the Academies for applications, catalogs and examination dates at the following addresses:
