Re: Support for W/B HIDTA to  
include Washington County, MD

Dear Director Carr:

My office would like to express our steadfast support for Washington County, MD to be included in the Washington/Baltimore High Intensity Drug Trafficking Area. We believe that Washington County, MD would significantly benefit by this partnership.

The drug control strategies, intelligence resources, and training put into action through this federal program has made a positive and measurable impact to law enforcement in disrupting drug trafficking and money laundering in the areas involved in W/B HIDTA. Washington County will greatly enhance their ability to combat the growing drug trafficking and use in this area through utilization of these tremendous resources and interagency cooperation coordinated within W/B HIDTA.

I would appreciate you reviewing all of the relevant documentation from the Washington County Narcotics Task Force and I ask that you provide all due consideration to their request for inclusion into the Washington/Baltimore High Intensity Drug Trafficking Area.

If you need additional information, please contact Taylor Donoghue at my District Office at 301-733-2900 or [Taylor.Donoghue@mail.house.gov](mailto:Taylor.Donoghue@mail.house.gov). Thank you for your assistance.

Sincerely,
