Re: Freedom of Information Act
(FOIA) Request: FWS-2011-00702 –
Via Verde Project, Puerto Rico

Dear Congressman Gutierrez:

This is a partial response to your request under the Freedom of Information Act (FOIA) dated December April 6, 2011. Based on your request, you seek all documents relating to a proposed natural gas pipeline in Puerto Rico currently awaiting approval from the U.S. Army Corps of Engineers; and all raw data and reports, all letters and emails related to "Via Verde" or "Gasoducto" created by or submitted to the U.S. Fish and Wildlife Service, or any of its dependencies, employees, contractors or consultants." We have searched our files and identified 285 responsive documents. Attached please find a table with the information we are including in the enclosed CDs.

The remaining records are undergoing legal review. After review by our Regional Solicitor, we will provide you with a final response concerning the remaining documents. If you have any questions regarding our response, please contact Marelisa Rivera, Deputy Field Supervisor for the Caribbean Ecological Services Field Office at 787-851-7297 extension 206.

Sincerely yours,

Edwin Muñiz
Field Supervisor
Caribbean Ecological Services
