**CONGRESSMAN
RANDY HULTGREN***Proudly Representing the 14th District of Illinois*[Home](#)[About Randy](#)[Serving You](#)[News](#)[Our District](#)[Contact](#)

Dear Friends:

February 18, 2014

Many of you attended my education summit at the beginning of the school year at McHenry County College on the Common Core State Standards in English and math.

After hearing from summit participants and doing ongoing research into the issue, I have been greatly concerned about efforts by President Obama and his administration to lure or force states into adopting the Common Core education standards.

Please watch my video below on why I have become an original co-sponsor of [H. Res. 476](#), a House resolution which denounces federal coercion of states into adopting the standards.

And please let me know about your personal experiences with the Common Core by emailing me through my website at Hultgren.house.gov.

We must all ensure parents and teachers—not government bureaucrats—have the ultimate say in education.

As always, thank you for the honor and privilege of serving you.

In Your Service,

Randy Hultgren
Member of Congress
14th District, Illinois
