Dear Friend,

The best ideas and solutions I bring to Washington come right here from residents of the 14th Congressional District, as evidenced by the productive work our community has produced out of my Community Leadership Forums and other district events. [Click here for our Community Action Plan on Heroin Prevention](#), and [click here for the report on our Community Leadership Forum on Health Care](#).

As your representative in Congress, I wanted to invite you to several upcoming events including a Listening Session and Coffee with the Congressman where I will be meeting and talking directly with residents about their concerns and discussing the best ways I can provide solutions to those concerns in Congress. You can hear how I'm representing you in Congress, and I would love to hear your ideas and questions.

Please see below for full details:

This year, my Traveling Help Desk has already helped residents of Sugar Grove, Yorkville, Geneva and Woodstock. My staff will be available again in Huntley to give assistance regarding any issues with federal agencies, including Social Security benefits, Medicare, Veteran's Affairs, U.S Citizenship and Immigration Services, international travel, the Internal Revenue Service and more. My staff members are more than willing to listen to your concerns and deliver those concerns directly to the me.

Constituents seeking assistance will be asked to fill out a consent form, which allows staff to begin the process of resolving their concern, and should also bring any pertinent information related to their issue.

Following are actual quotes from 14th District residents after receiving help from my office:

“There are no words to thank you enough for everything you have been doing for me last week...Thank you for your kindness and your hard work on my behalf.”

—Giovanna, businessperson in Crystal Lake

“I want to say how thankful I am that you checked in on this. You showed real concern and acted. I am extremely grateful that my phone call was taken and made important. Our family truly appreciates it.”

—Rikaine, resident of McHenry

As always, thank you for the honor and privilege of serving you.
