Ms. Klemp:

Please consider this my formal request to opt out of receiving a pension and its accompanying benefits offered to me as a Member of Congress by the United States House of Representatives, reaffirming my requests of January 3, 2013 and January 6, 2015.

I understand that I cannot opt out of paying into the pension system, however I would still like to disclaim receiving any benefits.

Please feel free to reach me at my DC office at (202) 225-2706 with any questions or follow-up necessary to confirm this letter.

Thank you,

Ron DeSantis
Member of Congress
