COMMITTEE ON OVERSIGHT AND GOVERNMENT REFORM

MAJORITY (202) 225-5074

MINORITY (202) 225-5051

February 27, 2015

The Honorable Jeh Johnson
Secretary
U.S. Department of Homeland Security
Washington, D.C. 20528

Dear Mr. Secretary:

The Committee is examining the process by which Abdinassir Mohamud Ibrahim was granted asylum in light of his connections to the terrorist group, al-Shabaab. We write to request documents and information relating to Ibrahim's immigration history.

In May 2007, Ibrahim, a Somali national, was granted refugee status.¹ He settled in Emporia, Kansas.² On his immigration forms, Ibrahim falsely stated that he fled Somalia in 1991 because militias killed his mother and that he never returned to Somalia after 1991.³ He also omitted that he was related to two known Somali terrorists, Sheikh Hassan Dahir Aweys and Aden Hashi Ayrow.⁴

Ibrahim was recently sentenced to 15 years in prison for lying on his asylum application and for providing material support to al-Shabaab, a U.S.-designated foreign terrorism group.⁵ Ibrahim secretly pled guilty in July 2014 to providing material support to a terrorist group. He had sent e-mails in support of al-Shabaab and provided money to a friend affiliated with the terrorist group.⁶

The Committee is concerned that Ibrahim was able to obtain asylum under false pretenses, and subsequently able to remain in the United States for years before being discovered. To assist the Committee, please produce all documents referring or relating to Abdinassir Mohamud Ibrahim, including, but not limited to his alien file, as soon as possible, but no later than 5:00 p.m. on March 13, 2015.

The Committee on Oversight and Government Reform is the principal oversight committee of the House of Representatives and may at “any time” investigate “any matter” as set forth in House Rule X. An attachment to this letter provides additional information about responding to the Committee’s request.

When producing documents to the Committee, please deliver production sets to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format.

If you have any questions about this request, please contact Art Arthur or Jessica Donlon of the Committee Staff at 202-225-5074. Thank you for your attention to this matter.

Sincerely,

Jason Chaffetz

You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.

6. Documents produced to the Committee should include an index describing the contents of the production. To the extent more than one CD, hard drive, memory stick, thumb drive, box or folder is produced, each CD, hard drive, memory stick, thumb drive, box or folder should contain an index describing its contents.

7. Documents produced in response to this request shall be produced together with copies of file labels, dividers or identifying markers with which they were associated when the request was served.
8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.
18. Two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
